State of California • Arnold Schwarzenegger, Governor
State and Consumer Services Agency
DEPARTMENT OF GENERAL SERVICES
Executive Office

January 10, 2006

The Honorable Wesley Chesbro, Chair
Joint Legislative Budget Committee
State Capitol, Room 5035
Sacramento, CA 95814

Dear Senator Chesbro:

Pursuant to the requirements of Government Code Section 8878.97, the Department of General Services (DGS) is submitting the Bond Act Expenditures for Local Government Buildings Report.

In keeping with our commitment to encourage conservation, we have posted this report to our website. The report can be viewed at http://www.legi.dgs.ca.gov/Publications/2006LegislativeReports.htm. The report is entitled *Earthquake Safety and Public Rehabilitation Bond Act of 1990 Status Report December 2005 – Bond Act Expenditures for Local Government Buildings Report.*

If you wish to receive a printed copy of this report, please contact Joel McRonald, Chief, Seismic and Special Programs Section, Professional Services Branch, Real Estate Services Division, Department of General Services, at (916) 375-4884.

Sincerely,

Ron Joseph
Director

Local Government Buildings

Bond Act Expenditures

Earthquake Safety and Public Rehabilitation Bond Act of 1990
Status Report ▪ December 2005

Prepared by: State of California, Department of General Services, Real Estate Services Division
707 3rd Street, Suite 4-330, West Sacramento, CA 95605

C/LocalGovernmentBuildings2004

PROGRAM STATUS

The Department of General Services (DGS) is issuing this report to the Legislature pursuant to the requirements outlined in Government Code Section 8878.97. The program is pleased to report that as of December 1, 2005, 99.6 percent of the program funds have been committed. Of the 167 projects initiated, 121 projects are complete, three projects are in process, 14 projects have been cancelled by the State and 29 projects have been withdrawn by local agencies.

BACKGROUND

Under the Earthquake Safety and Public Buildings Rehabilitation Bond Act of 1990, voters approved bonds to be sold in the amount of $300 million, of which $50 million was for seismic retrofitting of local government essential services and public safety buildings. Approximately $4.08 million was set aside for support; and $500,000 was allocated to Riverside County per the provisions of SB 248 (Chapter 332, Statutes of 1993).

Phase I (1994) appropriated $45,478,621 of the $50 million for 113 seismic retrofit projects.

Phase II (1997) was comprised of 54 projects totaling $8,785,566. (The first 27 were funded in 97/98 FY, 20 in 98/99 FY, the next seven in 99/00 FY).

Revised reappropriations in the 1996, 1997, 1998, 1999, and 2000 Budget Acts, have resulted in a reversion of $3,427,205. There were no revised reappropriations in 2001, 2002, 2003, and 2004. Funds for three projects, which had expired on June 30, 2004, were reinstated on July 1, 2005.

To date, 43 projects have been withdrawn ($3,642,296 reverted); and the 121 completed projects have produced surplus money ($2,018,388 reverted).

Therefore, the adjusted total appropriation is $45,176,298, with an approximate fund balance of $215,289.

PROJECT LIST

This local government grant status report was prepared with data available as of December 1, 2005. The 167 projects are outlined in this report as follows:

First: Projects in the same order as listed in the 05/06 Budget Act (three projects).
Second: Projects complete (121 projects).
Third: Projects that were withdrawn (43 projects).

The dollar amounts approved in the Budget Act for each project are predicated upon preliminary estimates furnished by local governments. Once the local jurisdiction receives bids for the project, the grant is written for the lesser of either the estimate or the actual bid amount. On December 1, 2005, the DGS' Real Estate Services Division (RESD) requested that local governments furnish a current project schedule that included bid, award, construction start, and construction finish dates. We requested justifications for any delays from those local governments which indicated that they would start construction after the June 30, 2006, deadline.

Following is an explanation of the headings on the project list:

1. Project - The name of the project; the address and use of structure; the name of the project manager for the local government, and phone number and FAX, if known.

2. Total Appropriation - The total Budget Act dollar amount.

3. Grant Amount - The dollar amount of either the actual construction bid or Budget Act amount, whichever is less.

4. Construction Award Date - The date a bid is awarded or anticipated to be awarded (the project is awarded to the contractor just after bid date). Where this column is blank, no information has been received.

5. Comments - Additional relevant items related to project progress, including any justification the local government has given for delays. Where this column is blank, no information has been received.
