STATE OF CALIFORNIA
DEPARTMENT OF GENERAL SERVICES - PROCUREMENT DIVISION

CONTRACT NOTIFICATION

*** NOT MANDATORY ***

CONTRACT NUMBER: **1-05-68-01**

DESCRIPTION: **GASES, WELDING, INDUSTRIAL & MEDICAL**

CONTRACTOR: **VARIOUS**

EFFECTIVE DATES: **1/11/2005** THROUGH **1/10/2007**

SUPERSEDES CONTRACT NO.: **1-00-68-01**

AREA: **STATEWIDE**

DISTRIBUTION: **C-68-01**

* TAX: Add appropriate sales and use tax.
Exempt from Federal Excise Tax.

*Food contracts are tax exempt.

Rita Hamilton

RITA HAMILTON, Deputy Director

Use of this agreement by all agencies is not mandatory.

SCOPE:

This contract covers the estimated two (2) year requirements of the State of California and participating local agencies for WELDING, INDUSTRIAL AND MEDICAL GASES in contractor owned and State owned cylinders. This contract contains an option for two (2) one-year extensions. The State and contractor must agree on the terms of the extensions.

A local agency is a city, county, city and county, district, or other local governmental body or corporation empowered to expend public funds (Public Contract Code 10298).

PRICES:

Prices shall be all inclusive. Only the prices/charges submitted in the bid shall be included in the awarded contract. NO OTHER FEES CAN BE CHARGED TO THE CUSTOMER.

Prices shall be firm for the initial two-year contract period. If necessary, a request for price increase may be considered during an extension option period, to the extent that the price is determined "fair and reasonable." Requests for price increase(s) shall include substantiated information to support the proposed increase (e.g., manufacturer's price list, significant changes in published market indicators for the industry, certified raw material cost data, and any other substantiating information as requested the State). In no event will price increases be accepted with retroactive effective dates.

Contract (Mandatory): 1-05-68-01

CONTRACT DOLLAR VALUE AND QUANTITIES:

The contract will not be mandatory for state and local agency use. There is no guaranteed contract dollar value.

The State's obligation to pay is solely from funds appropriated for the acquisition of the products on this bid/contract. If funds are not appropriated for future fiscal years, the contract dollar amount will be reduced accordingly. Receipt of a contract delegation order or purchase order under the contract is proof of availability of funds for that order.

MINIMUM ORDER:

The minimum order shall be one (1) cylinder of any size, type, or weight.

ORDERING PROCEDURE:

State agencies shall submit a contract/delegation order (std. 65) directly to the contractor.
Local Agencies shall issue orders directly to the supplier. The State charges a modest fee for each Local Agency order (Blanket Orders are no longer issued). The current Local Agency fee for FY 2004/2005 is 2.56% of value of order, maximum of $7,500. Rates for subsequent FYs may change: see www.ofs.dgs.ca.gov/Price+Book/Default. Under "Price Book" select "The Web Based Price Book." Scroll down to "Procurement Division" and select "Purchasing." Current billing rates are noted in "Contracts (TT Code 6040)."

Send a copy of your purchase order to:
DGS - Procurement Division
Attn: Data Entry
PO Box 989052
W. Sacramento, CA 95798-9052

DELIVERY:

All orders shall be delivered F.O.B. destination.

Delivery is to be completed in full within 7 calendar days after receipt of order (ARO) by the contractor, except as noted for State owned acetylene cylinders. Empty cylinders, shall be picked up, filled, and delivered within 7 days ARO, with the exception of State owned acetylene cylinders which may require up to 14 days from the time of pickup to be refilled and delivered.

Full cylinders shall be delivered free of all transportation costs to the receiving dock of the agency specified regardless of quantity, cylinder type, size, or weight. Cylinders that have been delivered by the contractor to the agency shall be returned when empty, FOB agency location. Supplier shall call for empties within 7 days after notification.

SUPPLIER IS REQUESTED TO MAKE DELIVERIES IN LOS ANGELES COUNTY, ORANGE COUNTY, SAN BERNARDINO METROPOLITAN AREA, AND SAN DIEGO METROPOLITAN AREA DURING OFF-PEAK HOURS. OFF-PEAK HOURS ARE 10:00 AM TO 4:00 PM.

Contract (Mandatory): 1-05-68-01

EMERGENCY DELIVERY:

Emergency deliveries shall be F.O.B. destination and delivered within 24 hours (includes weekends) after notification by ordering agency. An additional charge will be allowed for this service. The cost for this service is $230.00 per emergency delivery (Airgas).
$ 50.00 per emergency delivery (Harris).
Contractor MUST provide a contact name and phone number that can be reached on a 24 hr basis in the event an emergency order is needed. Jim Gindt, (888) 595-2285 - Airgas
Tim Lettich, (530) 367-2390 - Harris

Note: The number of emergency deliveries shall be held to a minimum.

Note:

In accordance with paragraph 15 of the General Provisions entitled "Delivery", the contractor shall strictly adhere to the delivery terms and completion schedules as specified in this bid/contract. Failure to comply with the delivery requirements as stated, may be considered a breach of contract and subject the contractor to General Provisions 26, entitled "Rights and Remedies of the State for Default".

INVOICING REQUIREMENTS:

The contractor is to render invoices as instructed on individual orders. Invoices shall include the purchase order number, contract number, contract line item number, description, unit price, and extension. State sales/use tax is to be added to each invoice at applicable rate.

Invoices shall be billed according to unit of measure and unit price as indicated in the contract. Deviations/substitutions will not be permitted.

ONLY CHARGES LISTED IN THE AWARDED CONTRACT SHALL BE APPROVED FOR PAYMENT. NO OTHER FEES CAN BE CHARGED TO THE CUSTOMER.

SUPPLIER'S LOCATIONS:

List below the location to which individual orders should be sent:

(For Areas 1, 2, 4, 5, 6, 9 & 10)

Airgas
6790 Florin Perkins Rd., #300
Sacramento, CA 95828
Attn: Customer Service
(916) 732-2360

(For Areas 7, 8, 11 & 12)

Airgas
11711 S. Alameda St.
Los Angeles, CA 90059
Attn: Customer Service
(323) 564-5711

(For Area 3 only)

Harris Industrial Gases, Inc.
8475 Auburn Blvd.
Citrus Heights, CA 95610
Attn: Tim Lettich
(916) 725-2168

Contract (Mandatory): 1-05-68-01

GAS SPECIFICATIONS:

The minimum purity of any gas offered must be equal to, or greater than, the stated purity on the contract price sheets. The gases shall be commercial grade, unless otherwise noted. The cylinder sizes shall be within (+/-) five (5) percent of the size listed in the bid.

All items identified as for "medical use" shall be medical grade gases and these gases must be manufactured at an FDA registered facility. All medical gases must meet USP and NFPA regulations.

CYLINDER LABELING, IDENTIFICATION & CERTIFICATION:

All cylinders shall be affixed with a label identifying suppliers name/logo and address to insure the correct cylinders are returned to the contractor. Each cylinder must list contents and grade. Labels must be affixed to each cylinder. (String or wire attached tags will not be acceptable.) All containers/cylinders shall be marked, labeled and shipped in accordance with the nationally recognized standards and in accordance with all parts of the Code of Regulations - D.O.T. Hazardous Materials Regulations 49 CFR, Parts 171-185, (6/2002) and NFPA Pamphlet 58, Standard for the Storage and Handling of Liquified Petroleum Gases (2001), or most current versions.

The contractor shall provide, at no cost to the State, a "Certificate of Analysis" (COA) and/or a batch analysis for all gases being delivered under this contract. Any delivery without a COA and/or batch analysis may be deemed unacceptable and non-compliant to the terms of the contract and may be returned at the contractor's expense.

CYLINDER FITTINGS:

All cylinder fittings shall be in accordance with the Compressed Gas Association (CGA) standards. In the event of any modifications by the CGA to these standards the State shall be notified, in writing, 30 days prior to the delivery of any modified cylinders to allow time to obtain new cylinder regulators.

QUALITY CONTROL:

If quality problems are suspected, a technical representative shall be available within 48 hours of notification. In addition, the using agency may request an analysis by an independent laboratory, all at no additional cost to the State. Any damages due to non-compliant gases i.e., contamination from improper gas formulations, mislabeled or defective cylinders shall be the responsibility of the contractor (See paragraph 27 of the attached General Provisions.).

It shall be the responsibility of the contractor to provide the following:

* Document/track each cylinder/Dewar and rental charges for each pickup/delivery.
* Obtain agency personnel's signature confirming each delivery/pickup.
* To substantiate any claims for unreturned cylinders, Dewars, or unpaid rental charges by providing documentation with agency personnel signatures confirming pick-up and deliveries.

Any documentation not reflecting both the contractor and agency personnel's signatures may not be used to substantiate any fees for unreturned cylinders/Dewars, or unpaid rental charges.

Contract (Mandatory): 1-05-68-01

RELATED COSTS TO PURCHASING GASES: Airgas (see attachment), Harris (see below)

(1) Loss of Use, Unit of Issue (ea): $250.00 (ea)

(2) Gas cylinder rental:

$5.00 per gas cylinder per month based on end of month gas cylinder totals.

(4) Cryogenic vessel rental:

$38.00 monthly rental fee for cryogenic vessel, liquid oxygen.

(5) Hydrostatic testing on state-owned cylinders: $ 25.00 (ea)

(6) Valve replacement on state-owned cylinders: $ 25.00 (ea)

MATERIAL SAFETY DATA SHEET:

Supplier shall send a completed copy of the Material Safety Data Sheet (MSDS) to the Procurement Division and to each State or Local agency to which delivery is made.

EXTRAORDINARY EXTENSION OPTION: In the event of an extraordinary circumstance the State may extend the contract for up to an additional year beyond the stated term and any noted extensions. Extensions during this period may occur in increments until the establishment of a new contract (not to exceed one year). Exercise of this option may occur in the event that a replacement contract cannot be established due to the protest of an intent to award, or loss of key procurement staff, or extraordinary circumstance that would otherwise cause an unanticipated disruption in the contracting process.

If necessary, prices may be increased during an extraordinary extension option period, to the extent that the price is determined "fair and reasonable." Requests for price increase(s) shall include substantiated information to support the proposed increase (e.g., manufacturer's price list, significant changes in published market indicators for the industry, certified raw material cost data, and any other substantiating information as requested by the State). In no event will price increases be accepted with retroactive effective dates.

CONTRACT USAGE REPORTING:

The contractor is required to submit a detailed usage report every three months commencing from the date of award to the Procurement Division, Contracts Management Unit. All appropriate fields must be completed on this form, including the name and phone number of person completing the form. Invoice copies or list of purchase orders will not fulfill this requirement and will not be accepted.

FAILURE to submit COMPLETED quarterly reports within the time period required may be considered a breach of contract and subject the contractor to General Provisions 26, Rights and Remedies of State for Default.

GENERAL PROVISIONS: General Provisions, GSPD-401Non-IT Commodities, revised and effective 08/16/2004, apply to this contract.
