MINUTES
State Allocation Board
June 27, 2012

Upon notice duly given, the monthly meeting of the State Allocation Board (SAB) was held at the California Department of Education, 1430 N Street, Room 1101, in Sacramento, California on April 25, 2012 at 4:00 p.m.

Members of the SAB present were as follows:

- Pedro Reyes, Chief Deputy Director, Policy, Department of Finance, designated representative for Ana Matosantos, Director, Department of Finance (DOF)
- Esteban Almanza, Chief Deputy Director, Department of General Services, designated representative for Fred Klass, Director, Department of General Services (DGS)
- Kathleen Moore, Director, School Facilities Planning Division, California Department of Education (CDE), designated representative for Tom Torlakson, Superintendent of Public Instruction
- Cesar Diaz, appointee of Edmund G. Brown, Jr., Governor of the State of California
- Senator Alan Lowenthal
- Senator Loni Hancock
- Assembly Member Curt Hagman

Members of the SAB absent were as follows:

- Senator Mark Wyland
- Assembly Member Julia Brownley
- Assembly Member Joan Buchanan

Representatives of the SAB were as follows:

Lisa Silverman, Executive Officer
Bill Savidge, Assistant Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

Lisa Silverman, Executive Officer
Juan Mireles, Deputy Executive Officer

Representative of the Department of General Services, Office of Legal Services, was as follows:

Henry Nanjo, Assistant Chief Counsel
Jonette Banzon, Staff Counsel

With a quorum present, Mr. Reyes, Chair, called the meeting to order at 4:20 p.m. The Chair introduced the newest member of the SAB, Mr. Cesar Diaz, to the members and audience. The Chair also announced that Mr. Juan Mireles was promoted to the Deputy Executive Officer of the OPSC.

PRIOR MINUTES

A motion was made, and carried, to approve the April 25, 2012 SAB meeting Minutes.

EXECUTIVE OFFICER'S STATEMENT

The Executive Officer informed the Board of the following:

Priority Funding Apportionments/General Obligation Bond Sale Update

At the April SAB meeting, staff announced that the School Facility Program (SFP) received $619.5 million from the recent bond sale. The OPSC presented priority funding apportionments for approval in this SAB Agenda, Action Item Tab #14.

EXECUTIVE OFFICER'S STATEMENT (cont.)

Joint-Use Program Funding Update

At the April 2012 SAB meeting, the SAB authorized the use of $5.1 million ($500,000 in Joint-Use Program funds from Proposition 1D and $4.5 million from Proposition 1A funds) for Joint-Use projects pending the Attorney General's opinion. Since the April SAB meeting, staff received an opinion from the Office of the Attorney General (AG), which opined that the SAB may use Proposition 1A New Construction and Modernization bond authority and cash for joint-use purposes. Upon review of funds within Proposition 1A, staff identified an additional $3.5 million in available Proposition 1A Modernization bond authority and cash. As a result, staff presented $4.6 million in apportionments for three Joint-Use projects in the Consent portion of the SAB Agenda (pages 67-69). The remaining $0.5 million approved for joint-use purposes was discussed in the Action Items portion of the SAB Agenda (Tab #16).

Update on Compton Unified and Selma Unified School Districts Appeal Requests

The AG continued to review a legal opinion request regarding the Compton Unified School District's appeal request to retain Financial Hardship funds. The legal opinion request addressed issues that could also impact a similar appeal from the Selma Unified School District. The legal review continues and staff will present these two appeals to the SAB at a later date.

In response to this topic, the Chair requested that these two appeal requests be presented to the next SAB meeting (July) and that staff and the Implementation Committee work on proposed regulations addressing reasonable statute of limitations relating to audit findings that will satisfy the AG's office.

Gas Pipeline Concurrence for Facility Hardship Projects

In the past, the Department of Conservation provided governmental concurrence that verified the health and safety threat of natural gas pipelines near schools. That Department no longer has the staff with this expertise and, therefore, cannot provide this concurrence. The SAB previously directed staff to research an alternate agency to perform these reviews. Staff was unable to identify another governmental agency willing to perform third-party reviews. However, staff was successful in confirming that the University of California, Berkeley Center for Catastrophic Risk Management (CCRM) would be able to perform third-party reviews. The CCRM consists of a group of researchers and experts in various fields to assist industry and government with solutions in order to avoid and mitigate catastrophic events. The OPSC will also provide outreach to school districts with potential gas pipeline hazards.

High Performance Incentive Grant – Charter Rehabilitation Projects

On May 15, 2012, regulatory amendments that allow Charter School Facilities Program rehabilitation projects to request the High Performance Incentive (HPI) grants went into effect. The HPI grant promotes "green" or high performance attributes, including designs and materials that promote energy and water efficiency, natural lighting, improved indoor air quality, recycled materials, and more.

Transition to Electronic Board Agenda

As previously mentioned, commencing July 1, 2012, the OPSC will cease producing paper copies of the SAB agendas, and will only publish agendas in an electronic format. Transitioning to electronic agendas will save energy, materials, and staff time. Staff will also begin the transition to electronic meeting agendas for the Implementation Committee and the SAB Sub-Committees.

In response to this topic, the Chair asked for clarification that hard copies would continue to be provided for members of the audience at the meetings. The Executive Officer responded that was correct.

EXECUTIVE OFFICER'S STATEMENT (cont.)

Upcoming Priority Funding Certification Period Starts July 11, 2012

A new 30-day Priority Funding certification filing period will begin on Wednesday, July 11, 2012 and will end on Thursday, August 9, 2012. All previously-submitted certifications expire on Tuesday, July 10, 2012. Therefore, school districts and charter schools must submit new certifications to be eligible to receive funding apportionments for projects on the list of Unfunded Approvals. As a reminder, projects that receive an unfunded approval at the July 25, 2012 SAB meeting will also be eligible to participate once approved. Certifications with original signatures must be physically received by the OPSC before 5:00 p.m. on Thursday, August 9, 2012. The new requests will be valid through January 8, 2013. For more information, please see the "Procedures for School Facility Program" at http://www.documents.dgs.ca.gov/opsc/Attachments/PIF_Procedures_7-27-11.pdf.

Overcrowding Relief Grant Program – 10th Funding Cycle Application Filing Deadline

The final application filing deadline for the tenth cycle of Overcrowding Relief Grant (ORG) Program funding is 5:00 p.m. on Tuesday, July 31, 2012. At this time, the SAB has not established additional funding rounds beyond the tenth round for the ORG Program.

In response to this topic, Ms. Moore asked that when the ORG Program requests for the final round is presented to the SAB, that the SAB will have the option to extend another funding round as part of that discussion. The Executive Officer confirmed that staff would do that.

Upcoming SAB Events

Rules and Procedures Sub-Committee Hearing . . . . . Wednesday, August 15, 2012 (tentative)
State Allocation Board Program Review . . . . . To Be Determined

Meeting information was posted on the OPSC Website as it became available at: http://www.dgs.ca.gov/opsc.

CONSENT ITEMS

A motion was made, and carried, to approve the Consent calendar as presented, including Tabs #7, Bass Lake Joint Union Elementary School District; Tab #9, Prevailing Wage Monitoring Grants; Tab #10, Browns Elementary School District; Tab #11, Elk Grove Unified School District; Tab #12, Escalon Unified School District; Tab #13, Priority Funding Process Regulatory Amendments; and Tab #14, Priority Funding School Construction Apportionments.

FINANCIAL REPORTS

Status of Fund Releases

The Executive Officer presented this item to the SAB and the SAB accepted the Status of Fund Releases report as presented.

Status of Funds

The Executive Officer presented this item to the SAB and the SAB accepted the Status of Funds report as presented. Ms. Moore commented that with the transfer of the Critically Overcrowded Schools (COS) Program funding to the New Construction category means that the funding for new construction is not yet exhausted. The Executive Officer replied that was correct and because that funding from the COS Program is part of Proposition 55, the new construction funding must remain within that bond program (Proposition 55).

Mr. Richard Gonzalez, representing Richard Gonzalez & Associates, addressed the SAB and asked if cash on hand from the other programs be tracked or made available in order to fund as many projects as possible during Priorities in Funding rounds? The Chair acknowledged his comment.

APPEAL ITEMS

Bass Lake Joint Union Elementary/Madera 57/65185-00-007

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendation.

Aromas-San Juan Unified/San Benito 50/75259-00-000

Mr. Juan Mireles, representing the SAB staff, presented this item to the SAB. The SAB took no action on this item; therefore, this item will not be presented to the SAB again.

ACTION ITEMS

Prevailing Wage Monitoring Grants

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendation.

Browns Elementary/Sutter 58/71365-00-001

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendations.

Elk Grove Unified/Sacramento 58/67314-00-001

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendations.

Escalon Unified/San Joaquin 58/68502-00-001

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendations.

Priority Funding Process Regulatory Amendments

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendations.

Priority Funding School construction Apportionments

This item was approved with the Consent portion of the agenda. A motion was made, and carried, to approve the staff's recommendations. Ms. Eva Lueck, Chief Business Official for the Glendale Unified School District, questioned why the District's project could not be funded since there was $5.5 million remaining in Proposition 1D? Mr. Mireles responded that there were projects below the funding with the same received date (includes the Glendale Unified School District's project), and since the remaining $5.5 million could not fund the entire day, funding could not be provided for those projects.

Charter School Facilities Program Advanced Site and Design Fund Releases

Mr. Mireles, representing the SAB staff, presented this item to the SAB. Ms. Moira Topp, representing the California Charter Schools Association Advocates, addressed the SAB in support of Option #1. She asked that in addition to site and design, include construction for those projects that are shovel-ready and provide the funding on a first come-first serve basis. A motion was made, and carried, to modify Option #1, to not only extend the deadline to request funds for design and/or site within six months of the SAB's approval, but to include construction for those charter schools with shovel-ready projects. The funds would be made available on a first come-first served basis.

ACTION ITEMS (cont.)

Options for Joint-Use Program Funding

The Executive Officer presented this item to the SAB. Two individuals addressed the SAB:

- Ms. Corrine Loskot, representing the Redondo Beach Unified School District, thanked the SAB for providing State funding for one of the District's projects. She indicated that there was another District project on the Joint-Use projects listing (first project in line) that the District would like to see receive funding. However, the dollars available to fund that project would not be enough to cover the State's cost of the project.
- Ms. Christina Becker, representing the Santee Elementary School District, thanked the SAB for providing State funding for one of the District's projects. She asked that perhaps the SAB could find $3.3 million to fund a few more projects on the Joint-Use projects listing that included a few more District projects. She also asked that the joint-use applications not be sent back to the school districts.

A motion was made, and carried, that $536,974 be made available for the next Joint-Use project in line and if the funds were refused then it would be offered to the next project in line and it would continue on down the line until a project accepted the funding. If no project accepted the funding, the funds would remain in the Proposition 1A Modernization category and the applications would be returned to the school districts.

Methods for Accepting School Facility Program Applications once Bond Authority has been Exhausted

This item was held over to the July 2012 SAB meeting.

REPORTS, DISCUSSION, AND INFORMATION ITEMS

Non-Participation in the Priority Funding Process

Mr. Michael Watanabe, representing the SAB staff, presented this item to the SAB. Ms. Moore commented that the SAB would like to know why some of the projects on the Unfunded List have not moved especially since the SFP is winding down. She asked that the SAB consider this issue when discussing the Unfunded List. The SAB acknowledged the report.
