| **SUPERSEDES MANAGEMENT MEMO 02-15** | DEPARTMENT OF GENERAL SERVICES |

This Management Memo announces the extension of the contract between the State of California and the following airlines providing discount (YCAL) airfares for official state business.

Southwest Airlines
United Airlines

The term of this extension is July 1, 2003, through June 30, 2004. These fares represent a minimal increase based on the consumer price index. The State of California achieves cost savings through these contracted fares as they are unrestricted, last seat availability with no increase in price and is for travel in either direction of the city pair. This provides our state travelers with efficient cost effective air travel.

A summary of both airline contracts is available on the Department of General Services, Office of Fleet Administration website at www.ofa.dgs.ca.gov. Donna Carey, Statewide Travel Program Administrator, is located at the Office of Fleet Administration, 802 Q Street, Sacramento, CA 95814.

If you need additional information or assistance regarding the airline contracts, please contact Ms. Carey at (916) 327-2068 or donna.carey@dgs.ca.gov.
