Alexander "Alex" Hunter
Associate Governmental Program Analyst

Alex joined the California Building Standards Commission (CBSC) in January 2014. His role with CBSC includes legislative analysis, assisting technical staff with local government amendment filings, reviewing proposed building standards and providing administrative support as needed. Prior to joining CBSC, he was integral part of the support team at the Department of Finance- Local Government Unit (DOF) from 2012 through 2013. During his tenure with DOF, Alex participated in the development of a wide range of administrative procedures. He also utilized his diverse technical and analytical experience on special projects involving redevelopment agency dissolution and state mandates.

Prior to state service, Alex held a number of positions in the private sector. He was a founding member and the Director of Artist & Repertoire for a music based Internet Protocol television enterprise based in Los Angeles. He also owned and operated a property inspection company in Sacramento.

On the side, Alex is a freelance photographer often showcasing his work at galleries and *2nd Saturday* art events in Sacramento.

Alex was born in Hawaii and raised in the California Bay Area. He is a classically and jazz trained musician and holds a Bachelor of Science degree in Music Industry from the University of Southern California. When not working, Alex is an avid outdoorsman, musician, and photographer.
