By

DEAR MR. WALLS,

I STRONGLY OBJECT TO THE REMOVING OF THE RESTRICTION OF USE OF PVC PIPE & ABS PIPE IN CONSTRUCTION. PVC and ABS ARE HIGHLY COMBUSTIBLE AND IN A FIRE THE FUMES FROM BOTH CAN THREATEN PUBLIC SAFETY. PLUS, THE BURNING PLASTIC SPREADS FIRE QUICKLY. ON THE OTHER HAND, CAST IRON PIPE DOESN'T BURN OR CREATE TOXIC FUMES, AND IT'S MADE FROM 100% POST CONSUMER RECYCLED SCRAP IRON.

PLEASE PROTECT OUR PUBLIC SAFETY AND OUR ENVIRONMENT. IT SHOULD BE THE MAIN CONCERN OF THE CALIFORNIA BUILDING STANDARDS COMMISSION. PLEASE DO NOT REMOVE THE RESTRICTION OF USE OF PVC and ABS.

THANK YOU

LISA DOUZOS
