MINUTES
State Allocation Board
February 23, 2011

Upon notice duly given, the monthly meeting of the State Allocation Board was held in Room 437 of the State Capitol in Sacramento, California on February 23, 2011 at 2:00 p.m.

Members of the Board present were as follows:

- Pedro Reyes, Chief Deputy Director, Policy, Department of Finance, designated representative for Ana Matosantos, Director, Department of Finance (DOF)
- Scott Harvey, Acting Director, Department of General Services (DGS)
- Lyn Greene, appointee of Arnold Schwarzenegger, Former Governor of the State of California
- Kathleen Moore, Director, School Facilities Planning Division, California Department of Education (CDE), designated representative for Tom Torlakson, Superintendent of Public Instruction
- Senator Alan Lowenthal
- Senator Loni Hancock
- Senator Bob Huff
- Assembly Member Julia Brownley
- Assembly Member Joan Buchanan
- Assembly Member Curt Hagman

Representatives of the State Allocation Board (SAB) were as follows:

Lisa Silverman, Acting Executive Officer
Lisa Kaplan, Assistant Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

Lisa Silverman, Acting Executive Officer
Juan Mireles, Manager, Program Services

Representative of the Department of General Services, Office of Legal Services, was as follows:

Lance Davis, Staff Counsel

With a quorum present, Mr. Reyes, Chair, called the meeting to order at 2:05 p.m.

The Chair acknowledged that former Senator Bob Margett, who served as a member of the SAB for six years, was in attendance at the Board meeting.

PRIOR MINUTES

A motion was made, and seconded, to approve the January 26, 2011 SAB Minutes. Senator Hancock agreed to approve the Minutes but asked staff to review the transcripts from the January meeting and clarify the statements made by the Chair regarding the Rules and Operating procedures. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock	X			
Senator Huff				X
Assembly Member Brownley	X			
Assembly Member Buchanan			X	
Assembly Member Hagman	X			
Scott Harvey			X

EXECUTIVE OFFICER'S STATEMENT

The Acting Executive Officer informed the Board of the following:

Priority in Funding Apportionments

The OPSC was delighted to report that the second Priority Funding Round was on track to being as successful as the first. Of the 442 State apportionments made at the December 15, 2010 SAB meeting, fund release requests were submitted for 305 projects, or 69 percent. The fund release requests received total approximately $1.1 billion out of the $1.4 billion apportioned. To date, approximately $960 million was released. The remaining districts still have until March 15, 2011 to submit their fund release requests. Requests must be physically received by close of business that day.

Of the 26 State apportionments made at the January 26, 2011 SAB meeting, fund release requests were submitted for five projects, or 20 percent. The fund release requests received total approximately $37.6 million out of the $103 million apportioned. To date, approximately $34.1 million was released. The remaining districts still have until April 26, 2011 to submit their fund release requests. Requests must be physically received by close of business that day.

As part of this meeting, the OPSC identified 18 new apportionment requests totaling $40.6 million that were eligible for an apportionment. These projects have until May 24, 2011 to submit their fund release requests. The requests must be physically received by close of business that day.

Joint Workshop

The OPSC will participate in a joint workshop with the CDE and the Division of the State Architect (DSA) on March 24, 2011. This will be the first in a series of quarterly workshops hosted jointly by the CDE, the DSA, and the OPSC, as agreed to in the recent Memorandum of Understanding between the three agencies. The March 24th event will be webcast for live and archived viewing. A survey was provided to districts and stakeholders to solicit input on the topics they would like to see presented by each agency. The agencies are analyzing the survey results in order to develop the workshop agenda.

Update on Seismic Evaluations

All nine school districts participating in Seismic Mitigation Program (SMP) building evaluations have received inspections. Seven building reports are pending and due from the contractors this week; the rest have already been completed. Of the original $200,000 provided by the California Seismic Safety Commission (Commission) that was made available for these purposes, the current expenditures are at $162,000. The OPSC will prepare a preliminary report to the Commission in early March and assess if the remaining funds from the grant could be used for additional evaluations. The OPSC will present a more comprehensive seismic report at the March 2011 SAB meeting.

In response to this topic, Senator Hancock requested that the DGS confer with a working group comprised of the OPSC, the DSA, the Federal Emergency Management Agency, the American Society of Engineers, and some representatives of the field who have experience with these issues. She indicated that careful planning would be necessary because of the liability issues interacting with the financial issues and the scientific issues of what it means to make various declarations about the quality of school buildings and that this issue was very complicated.

State Restriction of Appointment (SROA)/Staffing Update

The Department of Personnel Administration (DPA) confirmed Governor Brown's announcement to terminate the sale of eleven State office properties. In light of this decision, the surplus notifications were rescinded. Impacted employees received letters notifying them that they have been removed from SROA/surplus status. Of the eight OPSC staff members originally on the SROA/surplus list, four chose to pursue other opportunities to maintain job security prior to the notifications being rescinded.

EXECUTIVE OFFICER'S STATEMENT (cont.)

External Audit Update

The OPSC continues to work with the State Controller's Office (SCO) to discuss having the SCO perform the external audit function. The next meeting is scheduled for March 3, 2011.

CONSENT ITEMS

A motion was made, and seconded, to approve the Consent calendar as presented. The Chair called for a roll-call vote and the motion carried per the following votes:

FINANCIAL REPORTS

Status of Fund Releases

The Acting Executive Officer presented this item to the Board. Assembly Member Buchanan requested an additional column be added to this report to reflect the outstanding apportionments. The Acting Executive Officer responded that staff would provide it next month (March 2011 SAB meeting). The Board accepted the Status of Fund Releases report as presented.

Status of Funds

The Acting Executive Officer presented this item to the Board and the Board accepted the Status of Funds report as presented.

APPEALS

Bangor Union Elementary/Butte 50/61382-00-001

This item was withdrawn.

Morongo Unified/San Bernardino 51/67777-00-001

Mr. Juan Mireles, representing the SAB staff, presented this item to the Board. Mr. Mireles gave a brief background and staff analysis of the Joshua Tree Elementary School site and outlined the potential funding options available to the District. Mr. Michael Walker, Chief Business Officer with the Morongo Unified School District, addressed the Board and emphasized the current site as a significant health and safety threat to the students and faculty of the school based on existing active earthquake faults covering most of the site. The District provided reports from a structural engineer and the California Geological Survey, along with letters from the DSA, to support their request for facility hardship. The District believes that this documentation provides State level concurrence for an existing health and safety threat at the site. Assembly Member Paul Cook addressed the Board in support of the District's appeal quoting historical earthquake tragedies as proof that a magnitude earthquake would inevitably devastate the school if left on the current location.

APPEALS (cont.)

Morongo Unified/San Bernardino 51/67777-00-001 (cont.)

Mr. Howard "Chip" Smith, State Architect, representing the DSA, addressed the Board and clarified the DSA's position that the structures on the site meet Title 24 standards. Mr. Walker stated that just because the buildings meet Title 24 code, the ground beneath the school posed the threat. Assembly Member Buchanan made a motion to approve the District's appeal, which approved the conceptual approval to replace the Joshua Tree Elementary School, including the following additional conditions outlined by staff and notated in the item.

1. The District would be required to sell the existing Joshua Tree Elementary School site and all permanent buildings at fair market value and remit to the State 50 percent of the proceeds.
2. The District would be required to place the Joshua Tee Elementary School site for sale on the market when it has been vacated and/or the students have been housed at the new proposed school.
3. The District would be required to provide a progress report of its efforts to sell the site six months after the new school's opening date.
4. The District would be required to submit an acceptable progress report on the sale of the abandoned site upon Board approval of the unfunded application and every six months thereafter until the site is sold.
5. The District would be required to provide a school board resolution stating that the abandoned Joshua Tree Elementary School site will not be utilized for any school purposes after the students are moved to the new site, and prohibit funding for this site under any SAB program.
6. The previously established modernization eligibility at the Joshua Tree Elementary School site will be reduced to zero.
7. The District must file a complete School Facility Program (SFP) Facility Hardship funding application for the replacement project within 24 months of this approval, pursuant to SFP Regulation Section 1859.82(c).
8. The State portion of any and all project savings realized from the funding of this replacement project must be returned to the State.

The motion was seconded. Senator Hancock asked the District why they were requesting facility hardship funds rather than new construction funding. Mr. Walker stated that the school would only qualify for limited matching funds under new construction and modernization. Some members of the Board expressed concerns that the decision to approve the District's appeal could set a precedent for other projects in the future.
Assembly Member Brownley stated she would be supporting the motion but indicated that the vote might seem potentially unfair to other school districts. She stated that the Board would need to have further discussions surrounding the issue of the shakability criteria in order for school districts to access the earthquake retrofitting funding. Further, Assembly Member Brownley acknowledged that with the debate in the Legislature over the value of regulations that in this case, regulations have proven to be useful because they point to health and safety of children where it might not exist. Ms. Lyn Greene commented that the Board was not concerned about the conditions of the buildings; rather, it was the limited expertise that was provided to the Board in order for the Board to make the decision. She indicated her support for the motion. Assembly Member Hagman stated that he appreciates the structure of regulations as protections; however, exceptions can be made and it is up to the Board to hear those exceptions and sort them out to the best of the Board's ability. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal				X
Senator Hancock	X			
Senator Huff	X			
Assembly Member Brownley	X

ACTION ITEMS

Priorities on School Construction Funding Apportionments

The Acting Executive Officer presented this item to the Board. Mr. Harvey made a motion to approve staff's recommendations and the motion was seconded. Ms. Moore stated that she wanted to ensure that any remaining cash be apportioned to the next project on the Unfunded List. The Acting Executive Officer responded that the remaining cash balance was not sufficient enough to fund the next project on the Unfunded List in its entirety. Because of two companion items in this Agenda (Tabs # 11 and 12), the Board decided to take action on those two items first and then return to this item. After the Board took action on the Calexico Unified (Tab #11) and Belmont-Redwood Shores Elementary (Tab #12) School Districts' items, the Board resumed the discussion on this item. The Acting Executive Officer stated that based on the Board's actions for the Calexico Unified and Belmont-Redwood Shores Elementary School Districts there was $12.2 million available in cash. Mr. Michael Watanabe, representing the SAB staff, informed the Board that the two actions maximized the amount of available funding and that the residual funding remaining was not enough to fund the next projects in line. Assembly Member Hagman asked if staff had contacted the district with the next project in line to see if they would be interested in a partial apportionment for the project. Mr. Watanabe responded that the District was contacted but did not want to receive partial grants on the remainder of their funds. Assembly Member Brownley inquired as to the next steps for decision makers (the State Treasurer's Office) to go out and sell bonds, and if there is this balance, what does it mean to them, that schools do not need the funds? Mr. Chris Ferguson, representing the DOF, replied that the limited amounts that would remain would not affect the decision of future bond sales in terms of project funding for the program. Mr. Lyle Smoot, representing the Los Angeles Unified School District (LAUSD), addressed the Board and stated that the LAUSD, which was the next project in line, would agree to a "hair cut." Mr. Harvey reiterated his original motion, which was to approve staff's Recommendations #1, #2, and #3, including the direction to staff to inquire whether the LAUSD would agree to partial funding for a project (with an SAB Unfunded Approval date of August 25, 2010 and a received date of November 2, 2009). If the LAUSD is in agreement, staff was to prepare a Consent item for the March 2011 SAB meeting to provide the State apportionment. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal				X
Senator Hancock	X			
Senator Huff				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X

Timeline Options for Charter School Facilities Program Advance Fund Release Requests

Assembly Member Hagman made a motion, and it was seconded, to approve staff's Option #1, which would allow 180 days for Charter School Facilities Program advance fund releases for site acquisition. The Board also adopted clarifying regulatory amendments (Attachment A) and authorized the Executive Officer to file the regulations with the Office of Administrative Law on an emergency basis and begin the regulatory process.

Calexico Unified/Imperial 57/63099-00-004

Ms. Barbara Kampmeinert, representing the SAB staff, presented this item to the Board. Ms. Kampmeinert explained in April 2010 the District was granted an accelerated State apportionment to start on necessary earthquake repairs throughout the District. As part of the consent portion of this agenda, the District received an Unfunded Approval for a modernization project at the Jefferson Elementary School. Although these items were not included in the earthquake damage, the District is requesting that the Unfunded Approval be converted to a State apportionment and receive accelerated funding so that the modernization work can be done concurrently with the earthquake repairs at the site. It was stated that it would be a duplication of work and costly to repair the ceilings now only to take them apart again in two years to complete the work on the conduits, lighting and ductwork. Because the District does not have the funds to complete both earthquake repairs and the modernization project, the permanent structures will have to remain closed until such time that both projects can be completed. Mr. Robert Moreno, representing the Calexico Unified School District, thanked the Board for the support that has been given the District and urged the Board to assist in approving the District's request for accelerated funding for the District's modernization application. Assembly Member Buchanan made a motion, and it was seconded, to approve the District's request for an accelerated State apportionment in the amount of $2,241,871. The Board also requested staff to provide quarterly monitoring updates on the fund release status. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal				X
Senator Hancock	X			
Senator Huff				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X			
Scott Harvey	X

Lyn Greene	X			
Pedro Reyes	X			
Total	8			2

Motion:
Carried _X_
Failed ___

Senator Hancock requested clarification, for the next SAB meeting, of what the procedure would be to fund projects out of order, specifically if school districts that may have sustained fire/water damage and wanted to come forward and be placed at the top of the list.

ACTION ITEMS (cont.)

Belmont-Redwood Shores Elementary/San Mateo 50/68866-00-002

Mr. Juan Mireles, representing the SAB staff, presented this item to the Board. Mr. Mireles gave a brief overview of the item explaining that at the December 15, 2010 SAB meeting, the District received a State apportionment from Proposition 55 for a new construction project that included an additional grant to enforce a labor compliance program (LCP) to monitor the public works portion of the project. The District did not retain a Department of Industrial Relations (DIR) approved third party or have a DIR-approved in-house program in place to meet the LCP requirement. Therefore, the District is requesting to amend the funding source for the State apportionment from Proposition 55 to Proposition 1D. Proposition 1D does not require an LCP.
Mr. Mireles outlined the three options for the Board: Option #1 would approve the District's request and amend the funding source for the State apportionment; Option #2 would direct the District to obtain a retroactive labor compliance review by a DIR-approved third party; and Option #3 would be to deny the District's request to change funding sources from Proposition 55 to Proposition 1D. Mr. Harvey made a motion to approve staff's Option #1, and it was seconded. The State apportionment amount for this project would be $8,723,072. Assembly Member Buchanan stated her support for Option #2 and expressed a concern with switching between funding sources that may lead to circumventing the LCP requirement. She stated that it's critically important that the spirit of the law is followed.

Mr. Josh Hunter, representing Blach Construction, addressed the Board and stated that his construction company was contracted for the project and he confirmed that all LCP requirements were followed even though they were not the third party agent. He further indicated that all certified payrolls were available upon anyone's request. Ms. Emerita Orta-Camilleri, Superintendent of the Belmont-Redwood Shores Elementary School District, addressed the Board to thank the Board and emphasized her commitment to using a third party process for future projects, but for this project it would not be feasible. Assembly Member Hagman stated that he was supporting the motion and that the rules and regulations for the funding streams are being followed to ensure nothing is being circumvented. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal				X
Senator Hancock	X			
Senator Huff				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X			
Scott Harvey	X			
Kathleen Moore	X			
Lyn Greene	X			
Pedro Reyes	X			
Total	8			2

Motion:

Labor Compliance Program Proposed Regulations

Ms. Tracy Sharp, representing the SAB staff, presented this item to the Board. Ms. Sharp noted that from August 1 to November 4, 2010, the DIR provided labor compliance program (LCP) monitoring services for all State bond funded public works projects, but those regulations establishing that service were repealed on November 4, 2010. As a result, school districts using the DIR monitoring program for projects funded from the University Public Education Facilities Bond Act of 2002 (Proposition 47) or the Kindergarten-University Public Education Facilities Bond Act of 2004 (Proposition 55) were required to either hire a third party LCP administrator or seek approval from the DIR to initiate and enforce the LCP internally. She stated that the SFP regulations were being amended to allow school districts to have an LCP for affected projects in place by November 1, 2011. This would allow school districts sufficient time to comply with the LCP laws without a negative impact to the school districts' funding.

ACTION ITEMS (cont.)

Labor Compliance Program Proposed Regulations (cont.)

Mr. Tom Duffy, representing the Coalition for Adequate School Housing (CASH) organization, and Mr. Cesar Diaz, representing the State Building and Construction Trades Council of California, addressed the Board by offering proposed language to the Board for direction to staff that could be included in the audit guide. Mr. Duffy stated that school districts have not been provided adequate direction for almost five months and that it is really important for staff to communicate to school districts so they are aware of what the expectations are in regards to the default LCP requirements (AB 1506). Mr. Diaz indicated that he had concerns with the proposed regulations as they basically allowed school districts to have proof that they enforced, initiated, and contracted with a third party for LCP or did it in-house. The Chair thanked the two gentlemen for their efforts and stated that he was hesitant to act on the language but would prefer that staff be included in future discussions.
Mr. Chris Ferguson, representing the DOF, clarified to the Board that the proposed regulations in the Agenda addressed only those projects that were affected by the regulations put in place by the DIR and then repealed (August 1, 2010 through November 4, 2010). The proposed regulations do not affect projects after that date (November 4, 2010). However, the draft proposal would allow projects after that date (November 4, 2010) until May 1, 2011 to comply with an LCP. Further, he stated that the DOF would support a change in the date from November 1, 2011 to July 1, 2011. Ms. Moore stated that this issue has been incredibly confusing for school districts and questioned how were school districts supposed to know that the law changed on November 4th? There continued to be much discussion surrounding notification to school districts of the repeal of the regulations and the default to AB 1506. Mr. Harvey questioned the need for regulations at all and asked why can't we just imply communicate with the school districts? Assembly Member Buchanan indicated that the contracts awarded during the three-month window (when LCP compliance was done through the DIR) were in question and that the date for compliance now would need to be sooner rather than later. The Chair suggested that the date change from November 1, 2011 to July 1, 2011 be changed to a more immediate date of May 1, 2011. Mr. Lance Davis, the SAB's legal counsel, pointed out that there are certain requirements on the SAB as far as auditing to ensure LCP compliance, and that the purpose of the regulation is to add a little more time for school districts to get their LCPs into place. Ms. Greene made a motion, and it was seconded, to approve the staff's recommendations, including the modification of the date from November 1, 2011 to May 1, 2011 in Attachments A and B. The Chair called for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal				X
Senator Hancock	X			
Senator Huff				X
Assembly Member Brownley				X
Assembly Member Buchanan	X			
Assembly Member Hagman	X			
Scott Harvey	X			
Kathleen Moore	X			
Lyn Greene	X			
Pedro Reyes	X			
Total	7			3

Motion:
Carried _X_
Failed ___

Ms. Moore requested that staff prepare a letter to be sent to all school districts reminding them that projects funded out of Propositions 47 and 55 are subject to the LCP requirements and must have an LCP in place. She further stated that if there are concerns by school districts those concerns will be elevated to the Board and the Board will manage them on a case-by-case basis.

ACTION ITEMS (cont.)

State Allocation Board Vice-Chair Selection

The Chair expressed his understanding that the Board had approved that there be an election of the Chair and the Vice-Chair, and by the time he realized there was no item for the election of the Chair, it was too late to agendize an item because the ten-day notice had already been made public. The Chair proposed to have the Chair and Vice-Chair elections, but the Chair's election would not be valid or voted on legally until the March 2011 SAB meeting, where it would be ratified as a Consent item. In a symbolic action, Assembly Member Brownley made a motion, and it was seconded, to nominate the representative of the DOF as the permanent Chair of the SAB for a two-year legislative term. The Chair asked for a symbolic roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock	X			
Senator Huff	X			
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X			
Scott Harvey	X			
Kathleen Moore	X			
Lyn Greene	X			
Pedro Reyes			X	
Total	9		1	

Motion:
Carried _X_
Failed ___

The Chair reminded the Board and audience that although the motion carried it is not valid until the March 2011 SAB meeting where the Board will formally ratify the decision. The Chair then moved on to the Vice-Chair of the SAB. Senator Hancock made a motion, and it was seconded, to nominate Senator Lowenthal as the Vice-Chair of the SAB for a two-year legislative term. The Chair asked for a roll-call vote and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock	X			
Senator Huff	X			
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X

REPORTS, DISCUSSIONS AND INFORMATION ITEMS

SAB Three-Month Workload

The Acting Executive Officer presented this item to the Board and the Board acknowledged the report.

REPORTS, DISCUSSIONS AND INFORMATION ITEMS (cont.)

State Allocation Board Meeting Dates for the 2011 Calendar Year

School Facility Program Unfunded List as of January 26, 2010

School Facility Program Workload List of Applications Received Through February 7, 2011

Emergency Repair Program Unfunded List as of January 26, 2011

Emergency Repair Program Workload List of Applications Received Through January 26, 2010

Facility Hardship/Rehabilitation Approvals Without Funding as of January 26, 2011

MISCELLANEOUS

- Assembly Member Hagman requested a staff presentation on the different ways to get contracts and bids out (i.e., lease-lease back, etc.) for the new members.
- The Acting Executive Officer noted that the July 2011 SAB meeting may need to be rescheduled due to the legislative summer break. The Chair stated that the members will need to be surveyed as the date gets closer.
- Mr. Harvey announced that Ms. Moore was recognized at the CASH luncheon as the recipient of the James L. Murdoch Award. Congratulations Kathleen!
- Mr. Tom Duffy, representing the CASH organization, addressed the Board concerning two letters; one letter was regarding the General Site Development allowance. He indicated that it may no longer be in effect but it needs to be put in place. The second letter was regarding the elimination of the Project Information Worksheet (PIW). He stated that the PIWs are not being utilized by staff and it is very time-consuming for school districts to continue to fill out the PIW.

ADJOURNMENT

There being no further business to come before the Board, the Chair adjourned the meeting at 5:33 p.m.

LISA SILVERMAN, Acting Executive Officer
