

DSA BULLETIN 10-01

Issued: January 29, 2010
Effective: February 16, 2010

To: DSA Staff and Interested Parties

**From: Division of the State Architect
Department of General Services
State of California**

SUBJECT: Access Compliance Fee Schedule Increase

Purpose: To notify interested parties about changes to the DSA Access Compliance fee schedule and the effective date for the implementation of those changes.

Background: In 2009, the California Building Standards Commission approved proposed increases to the DSA Access Compliance fee schedule in Title 24, Part 1, Chapter 5, Article 1, Section 5-104

Effective Date and New Fee Schedule: The Access Compliance filing fee for project applications received by DSA on or after February 16, 2010 shall be four tenths of one percent (0.4%) of the first \$500,000.00 of the estimated project cost plus two tenths of one percent (0.2%) of the project cost greater than \$500,000.00 up to and including \$2,000,000.00 plus two one-hundredths of one percent (0.02%) of the excess of the estimated project cost over \$2,000,000.00, except that the minimum fee in any case shall be \$400.00.

Examples of New Filing Fee Calculation (Effective 2-16-10):

Estimated project cost = \$250,000
.004 x \$250,000 = **\$1,000**

Estimated project cost = \$1,500,000
.004 x \$500,000 = \$2,000
.002 x \$1,000,000 = + \$2,000
\$4,000

Estimated project cost = \$5,000,000
.004 x \$500,000 = \$2,000
.002 x \$1,500,000 = \$3,000
.0002 x \$3,000,000 = + \$ 600
\$5,600
