SPECIFICATIONS:

Products delivered against this contract MUST comply with the applicable Department of Transportation Standard Specifications latest edition, Sections 39, 92 and 93. Products delivered must comply with minimum paving temperature of asphalt concrete per specification Section 39.

To obtain a copy of the Department of Transportation, Standard Specification, contact Publications Unit of the Division of Procurement and Contracts at (916) 323-5606 or by fax at (916) 324-8997.

Asphalt content shall be between 5% and 7% as specified by the State. Aggregate samples and liquid asphalt shall be presented to the District Materials lab as requested by the State prior to delivery. The State reserves the right to have an inspector at plant during production of all material made to fill the order.

F.O.B. POINT:

All prices shall be F.O.B. DESTINATION.

QUANTITIES:

Quantities shown for each line item on the bid pricing sheets are estimated and are the anticipated three-year (3) purchase pattern. Actual purchases may vary from this pattern. Estimates are for bid evaluation purposes only and are not representing any guarantee of participation or rate of consumption.

The State will not be obligated to purchase contractor's excess inventory of any line item as actual purchases vary from the anticipated purchase pattern.

Emergency purchases may be made from other than the awarded contractor(s).

CAL-CARD ACCEPTANCE:

See individual areas.

MINIMUM ORDER:

See individual districts and areas. Deliveries for less than the minimum order quantity shall be considered non-contract requirements - or, by mutual agreement between the contractor and the ordering location - may be delivered at the contract price.

DELIVERY AREAS:

Delivery shall be made only to the listed awarded Districts, Areas and Locations specified herein except by written authorization from State of California, Department of General Services, Procurement Division.

REGULAR DELIVERY REQUIREMENTS:

The State shall place orders with the contractor at at least forty-eight (48) hours prior to the requested delivery date and time.

The contractor agrees to deliver during the operating hours of 7:00 a.m. to 5:00 p.m., Monday through Friday except State observed holidays.

Department of Transportation will determine and notify the contractor of the expected arrival time at the job site, the number of trucks and rounds required per truck or time intervals and quantity at time of order.

Contract (Mandatory): 1-06-56-20-01

ADDITIONAL DELIVERY REQUIREMENTS:

See individual districts, areas, and locations.

FUEL COSTS:

1. The contractor may submit a proposed escalation for delivery cost, in writing, to Procurement Division when the cost of fuel has increased no less than ten percent from the original fuel cost. Such notice shall include substantiated information to support the proposed escalation from the published OPIS (Oil Price Information Service) the market indicator for the fuel industry. The Department of General Services, Procurement Division tracks and monitors such fuel changes. Procurement Division publishes the weekly fuel rate changes. The fuel rates can be accessed and viewed on Procurement Division's web site at (www.pd.dgs.ca.gov/contracts/fuelrates).
2. Upon receipt of such notice the State reserves the right to either:
   a. Accept the escalation as competitive with the general market price at that time, effective 30 days from receipt of an acceptable notice; or
   b. Negotiate a proposed price escalation;
3. No price increase shall apply to quantities ordered from the contract prior to the effective date of the price increase.

FUEL COST DECLINES:

1. The contractor must submit a proposed decline for delivery cost, in writing to Procurement Division when the cost of fuel has decreased a minimum of ten percent from the approved escalated fuel cost increase. Such notice shall include substantiated information to support the proposed reduction based upon the published OPIS (Oil Price Information Service) the market indicator for the fuel industry. The Department of General Services, Procurement Division tracks and monitors such fuel changes. Procurement Division publishes the weekly fuel rate changes. The fuel rates can be accessed and viewed on Procurement Division's web site at (www.pd.dgs.ca.gov/contracts/fuelrates).
2. At no time shall such declines reduce the delivery cost to a cost that is lower than the original bid cost.
3. Upon receipt of such notice the State shall accept the decline as competitive, effective 30 days from receipt of notice.
4. No price decrease shall apply to quantities ordered from the contract prior to the effective date of the price decrease.

SUBSEQUENT PRICE ESCALATIONS:

Material Cost

1. New prices shall be firm for a minimum of 60 days after the approved escalation date.
2. The contractor may submit proposed escalation notice, in writing, to Procurement Division not earlier than 30 days from the effective date of the contract. Such notice shall include substantiated information to support the proposed escalation (e.g., manufacturer's price list, significant changes in published market indicators for the industry, certified raw material cost data and any other substantiating information as requested by the State).
3. Upon receipt of such notice the State reserves the right to either:
   a. Accept the escalation as competitive with the general market pri ce at that time, effective 30 day from receipt of an acceptable notice; or
   b. Negotiate a proposed price escalation; or
   c. Cancel any unpurchased balance of the contract without prejudice, effective on receipt of such notice.
4. No price increase shall apply to quantities ordered from the contract prior to the effective date of the price increase.

Contract (Mandatory): 1-06-56-20-01

FUEL COSTS:

1. The contractor may submit a proposed escalation for delivery cost, in writing, to Procurement Division when the cost of fuel has increased no less than ten percent from the original fuel cost. Such notice shall include substantiated information to support the proposed escalation from the published OPIS (Oil Price Information Service) the market indicator for the fuel industry. The Department of General Services, Procurement Division tracks and monitors such fuel changes. Procurement Division publishes the weekly fuel rate changes. The fuel rates can be accessed and viewed on Procurement Division's web site at (www.pd.dgs.ca.gov/contracts/fuelrates).
2. Upon receipt of such notice the State reserves the right to either:
   a. Accept the escalation as competitive with the general market price at that time, effective 30 days from receipt of an acceptable notice; or
   b. Negotiate a proposed price escalation;
3. No price increase shall apply to quantities ordered from the contract prior to the effective date of the price increase.

PRIMARY AND ALTERNATE CONTRACTORS:

The total value of this contract is only guaranteed with the primary contractor. The alternate contractor is not guaranteed any contract value.

The primary contractor shall be requested to furnish the product first. In the event the primary contractor is not able to provide the requested product on the delivery date the alternate contractor will be requested to furnish the product.

If the primary contractor is not able to perform as requested by the State, the primary contractor shall provide documentation within twenty-four (24) hours after receipt of order of one or both of the following reasons for its failure to perform:

1. LACK OF AVAILABILITY OF SPECIFIED EQUIPMENT AND/OR DELIVERY SUB-CONTRACTOR.

   The primary contractor shall provide written documentation within twenty-four hours of receipt of order of the unavailability of its own delivery equipment or its delivery sub-contractor and of its attempts to acquire alternate delivery equipment or services. The documentation should include trucking company names, contact person, dates of contact, and reasons why each contacted company cannot perform the proposed services. Documentation should be faxed to the ordering location.

2. LACK OF AVAILABILITY OF SUPPLIER TO PROVIDE THE QUANTITY OF REQUIRED MIXED PRODUCT.

   The primary contractor shall provide written documentation within twenty-four hours of receipt of order of the unavailability of product quantities from its usual supplier and of its attempt to acquire product quantities from an alternate supplier. The documentation should include supplier names, contact person, dates of contact and reasons why each contacted company cannot provide the proposed product quantities. Documentation should be faxed to ordering location.

ORDERING PROCEDURE:

Department of Transportation shall submit a Contract/Delegation Order Form (Std. 65) directly to the contractor showing the commodity code number, Caltrans CT number, the ordering code, quantity, unit price and extension price.

Contract (Mandatory): 1-06-56-20-01

INVOICING REQUIREMENTS:

Contractor shall render invoices as instructed on each contract/delegation purchase order (Std. 65). Each invoice shall show the contract/delegation purchase order number, contract number, commodity code, commodity description, quantity, unit price and extension. All applicable taxes shall be noted and added to each invoice.

The State's obligation to make payment pursuant to the contract is subject to availability of appropriate funds. Receipt of a contract/delegation purchase order under this contract is proof of availability of funds for that order.

Note to Contractor: All inquiries, REGARDING PAYMENT OR INVOICE STATUS ONLY, should be directed to Department Transportation, Accounts Payable in Sacramento at (800) 303-1160 local or outside California call (916) 227-8946. All other calls should be directed either to the agency contact, or Contract Administrator.

Note to Accounts Payable: For questions about receiving documents, contact Material Manager at 445-2195.

STANDING TIME:

The State shall be entitled to standing time for the purpose of unloading (connected to the paving equipment) of not more than half hour free of any charges to the State.

The standing time shall begin when the carrier is ready to transfer to the paving equipment or ready to dump (excluding preparation time removing tarp, etc.), but not earlier than the requested time of arrival.

End time shall conclude when the carrier disconnects from the paving equipment or has finished delivery of the product.

The contractor may assess a charge of $1.25 per minute for time in which the carrier's equipment is detained through no fault of the carrier, in excess of the one half hour unloading time. The contractor shall provide appropriate documentation that supports the assessment. For payment to be processed, a separate assessment invoice must accompany the material invoice.

DELAYED DELIVERY DAMAGES CAUSED BY THE CONTRACTOR:

In the event the material on this contract is delayed, or not delivered in accordance with the contract specifications, through no fault of the State, the contractor will be liable for direct manpower and/or idle equipment costs incurred by the State. The Department of Transportation shall calculate such charges using the IMMS (Integrated Maintenance Management System). The IMMS system is designed to track maintenance activities and expenditures. The State shall provide the contractor documentation of State incurred costs and deduct cost from contractor's invoice.

DELAYED DELIVERY DAMAGES CAUSED BY THE STATE:

In the event delivery of material on this contract is delayed, through no fault of the contractor, and less than a twenty-four hour notice of change has been given to the contractor, the State will compensate the contractor. Compensation for delay of delivery shall be at a rate of $ 1.25 per minute from the original scheduled start time to the new scheduled start time plus the cost of material.

Example: Original scheduled start time 10:00 a.m.------new scheduled start time 11:30 a.m.

Compensation Calculation: 90 minutes x $1.25 = $112.50 + cost of material

Contract (Mandatory): 1-06-56-20-01

CANCELLATION OF DELIVERY DAMAGES CAUSED BY THE STATE:

In the event delivery of the ordered material on this contract is cancelled, through no fault of the contractor, the State will compensate the contractor. Compensation shall be as follows:

1. Cancellation of ordered delivery with less than twenty-four hours and more than twelve hours notice to the contractor, the State shall compensate the contractor at a rate of ten percent (10%) of the purchase order value.

   Example: Purchase order issued for 500 tons of 8" - AR4000 to be delivered in a belly dump at a cost of $21.50 per ton

   Compensation Calculation:

   500 (tons) X $21.50 = $16,300.00 X 10% - $1,630.00

Contractor shall provide documentation to the State and invoice accordingly.

2. Cancellation of ordered delivery with less than twelve hours notice to the contractor, the State shall compensate the contractor at a rate of twenty percent (20%) of the purchase order value.

Example: Purchase order issued for 500 tons of 8" - AR4000 to be delivered in a belly dump at a cost of $21.50 per ton

Compensation Calculation:

500 (tons) X $21.50 = $16,300.00 X 20% - $ 3,260.00

Contractor shall provide documentation to the State and invoice accordingly.

MODIFICATION OF CONTRACT:

Delivery sites may be changed, deleted, or added as deemed necessary by the Department of General Services, Procurement Division.

This contract may be modified in whole or in part upon mutual agreement of both parties. Such modifications shall be in writing, signed and dated by authorized representatives of each party.

CONTRACTOR RESPONSIBILITIES:

1. The contractor shall perform all deliveries to facilities in a safe and professional manner. Contractor's equipment shall be in good working order and all personnel shall be trained in safety measures to preclude accidents endangering personnel or property.
2. Contractor must commit to delivery as requested, at time stated on accepted orders, through the term of the contract.
3. Contractor shall provide office and personnel resources for responding to requests, including telephone coverage weekdays during the hours of 8:00 a.m. through 5:00 p.m.
