State Allocation Board Meeting, February 22, 2012

JOINT-USE FUND RELEASE STATUS REPORT

PURPOSE OF REPORT

To update the State Allocation Board (Board) on the status of fund release requests for School Facility Program (SFP) Joint-Use apportionments approved in October 2010.

DESCRIPTION

This report provides the fund release status of five Joint-Use projects that were apportioned at the October 2010 Board meeting under the prior 18-month time limit to request a fund release. Reports have been provided on a quarterly basis until funds are released.

AUTHORITY

SFP Regulation Section 1859.90 states, "…a district must submit the Form SAB 50-05 [*Fund Release Authorization*], within 18 months of the Apportionment of the SFP grant for the project or the entire New Construction Adjusted Grant, Modernization Adjusted Grant or Type I or II, part of a qualifying SFP Modernization project, Joint-Use Project apportionment shall be rescinded without further Board action, and the pupils housed in the project, if applicable, will be added back to the district's baseline eligibility...."

BACKGROUND

At the August 25, 2010 Board meeting, an item was presented regarding cash proceeds available for apportionment. Of the $68.51 million available, the Board directed Staff to allocate $5 million for the Joint-Use Program.

At the October 2010 Board meeting, the Board approved apportionments for five Joint-Use projects totaling $6,799,848. The Board requested that Staff provide quarterly updates on the status of the fund release liquidation for these projects.

Staff provided updates on the status of fund release liquidation for the five projects at the January, April, July, and October 2011 Board meetings. Fund release requests for all five projects have now been submitted.

STAFF ANALYSIS / STATEMENTS

Previously, Merced Union High School District informed Staff that due to City of Merced budget issues, the District was in the process of renegotiating the joint-use agreement. The amended joint-use agreement was approved by the City and District. Staff received the Form SAB 50-05 on February 16, 2012 and processed the fund release request. The 18-month time limit on fund release deadline for this project was April 6, 2012.

REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, February 22, 2012

PRIORITY FUNDING PROCESS

PURPOSE OF REPORT

To provide the State Allocation Board (Board) with an update on the priority funding process.

DESCRIPTION

At the January 25, 2011 meeting, the Board requested Staff to provide a report detailing the priority funding process. This request is in response to a letter submitted by a school district. In the letter, the District requests clarification on how and when cash returning the School Facility Program (SFP) can be reapportioned.

This report addresses the school district's inquiry in addition to providing a general priority funding process overview highlighting the three main steps associated with priority funding: priority funding request, apportionment, and fund release.

AUTHORITY

See Attachment A.

BACKGROUND

At the May 2010 meeting, the Board authorized the creation of the 2010 priority funding round using $408.3 million in available bond funds. The priority funding round was created as a way to allow the Board to provide limited funding for school construction projects and stimulate our State's economy through the creation of a funding mechanism that would allow districts that are ready to submit a *Fund Release Authorization* (Form SAB 50-05) the opportunity to receive funding and move forward with their projects.

Over time, the priority funding process has changed. Originally the Board took an action to create each specific priority funding round as stated in SFP Regulation Section 1859.90.1. Each round had a 30-day request period and coincided with a State bond sale. At the end of the request period, the Board made apportionments based on the unfunded approval date up to the available cash from each bond source. Any requests to participate in the priority funding round that were not converted to apportionments were returned to the districts and the projects retained their date order position on the unfunded approval list.

At the May 2011 meeting, the Board approved amendments to SFP Regulation Section 1859.90.2 that established priority funding request filing periods for prioritizing school construction funding as cash proceeds became available to provide apportionments. The proposed regulations created twice yearly 30-day windows in which school districts could request to receive an apportionment.

The amended regulations went into effect on July 27, 2011. Based on the new regulations, the first 30-day filing period began on July 27, 2011 and ended on August 25, 2011. Attachment B demonstrates a timeline breaking down the first two priority funding request filing periods. Subsequent filing periods will begin on the second Wednesday of January and the second Wednesday of July each calendar year. The requests are valid until the next filing period begins. If cash becomes available, districts that have submitted a request would be eligible for priority funding apportionments until the next filing period begins.

(Continued on Page Two)

BACKGROUND (cont.)

On January 12, 2012 a school district submitted a letter questioning the process of reapportioning the cash that is returned to the program via SFP rescissions in October, November and December of 2011. It is the school district's belief that these funds must be apportioned to school district's that had valid priority funding requests at the time the cash returned to the program.

The cash rescinded during this period (i.e., October, November and December of 2011) was not apportioned at the January 2012 Board meeting. This resulted in the District submitting an additional letter on January 27, 2012 and highlighting the SFP Regulation Section 1859.90. Under this regulation section, the District states "funds that fail to meet the time limit on apportionments '… shall be rescinded without further Board action…'" The District highlights this regulation section to supports their contention that rescinded funding must be apportioned to districts on the priority funding list as it existed at the time funds became available.

STAFF ANALYSIS/STATEMENTS

The school district has two main points of contention with the priority funding process:

1. The District believes that any cash returning to the program must be apportioned to districts that had a valid priority funding request at the time the cash returned to the program.

For example, cash that was returned to the program in October 2011 must be apportioned to districts that submitted a valid request between the July 27, 2011 and August 25, 2011. These projects would have been eligible to receive an apportionment from August 26, 2011 through January 10, 2012.

Pursuant to SFP Regulation Section 1859.90.2, "The priority funding process *allows* the Board to distribute available funds to districts or charter schools who request an Apportionment or an advance release of funds from a Preliminary Apportionment or a Preliminary Charter School Apportionment during specific 30-calendar day filing periods… (emphasis added)"

This regulation "allows" the Board to distribute available funds; it does not "require" the Board to distribute available funds. The apportionment of bond sale proceeds and cash returning to the program are made at the Board's discretion. Bond sale proceeds and cash made available during a specific request period may be apportioned during that request period or may be carried over to a later request period. School districts receiving a priority funding apportionment must have a valid request at the time an apportionment is approved by the Board.

SFP Regulation Section 1859.90.2 does not allow the Board to provide apportionments to districts that do not have a valid priority funding request. Based on this interpretation Staff believes the Board is unable to provide apportionments to applications that do not currently have a valid priority funding request even though the cash became available during a timeframe in which a district had a valid priority funding request. The school district's certification was not valid as of January 11, 2012, the school district is not eligible to receive an apportionment at the January 25, 2012 Board meeting.

2. Rescinded funding should be made immediately available as projects that fail to meet their time limit on apportionments "…. shall be rescinded pursuant without further Board action…" pursuant to SFP Regulation Section 1859.90.

(Continued on Page Three)

STAFF ANALYSIS/STATEMENTS (cont.)

Regulation Section 1859.90 deals with a small section of the project rescission universe. These rescissions are limited to TLOFR rescissions for a variety of SFP programs. While the regulation sections states that an apportionment shall be rescinded without further Board action, it has been Board practice to take an action to rescind these projects for approximately the last eight years.

Taking a public action to rescind projects serves multiple purposes. The Board action provides for the greatest amount of program transparency. By taking action, the Board is supplying all interested parties with the specifics concerning the bond authority and cash that will be returning to the program. It also allows the Board to provide districts with an official document detailing the rescission of project funding, which provides an opportunity for the least amount of possible confusion.

In addition to the return of bond authority and funding to the program, the Board must return any unused pupil grants must be returned to a district's baseline eligibility. An item to return the pupil grants to a district's baseline eligibility is typically presented the Board for approval at the meeting immediately following the rescission. The prior action to rescind a project provides staff with clear direction on when to proceed with the return of pupil grants to the district.

While SFP Regulation Section states that projects shall be rescinded without further Board action, the policy has been to approve rescissions as it is more beneficial to all parties involved.

Priority Funding Process Overview

In addition to clarification on the District's concerns, the Board requested that Staff provide an overview of the priority funding process. The priority funding process has three main steps. Each step is described in detail below:

Step 1: Priority Funding Request

SFP Regulation Section 1859.90.2 states, "The priority funding process allows the Board to distribute available funds to districts or charter schools who request an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment during specific 30-calendar day filing periods…."

Requests to participate in a priority funding round must be physically received by the Office of Public School Construction (OPSC) on or before the close of each specific filing period. Filing periods begin on the second Wednesday of January and the second Wednesday of July each calendar year and are open for 30 calendar days. These requests are valid until the next filing period begins. For example, a valid request submitted during the January 2012 filing period will be valid until the close of business on July 10, 2012 (the next request period opens July 11, 2012).

Each request submitted by a district must meet certain criteria. To request to convert an unfunded approval to an apportionment, a district must submit a request letter. This letter must be signed by an authorized District Representative and specifically indicate each project name and application number the district is requesting an apportionment for. Additionally, each letter must contain the following statements:

(Continued on Page Four)

STAFF ANALYSIS/STATEMENTS (cont.)

1. The District understands that the time limit on fund release shall be no more than 90 days from the date of Apportionment.
2. The District acknowledges that failure to submit a completed *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert back to an unfunded approval at the bottom of the unfunded list and cannot be guaranteed bonding authority. The application will receive a new Unfunded Approval date equivalent to the due date of the Form SAB 50-05. In the case that multiple rescissions are made by the Board, each separate application will be placed at the bottom of the unfunded approvals list in the order of the original unfunded approval date. The District will not be required to re-submit the application and no further application review will be required. (Example: Two applications are rescinded with Unfunded Approval dates of January 27, 2010 and February 24, 2010. The application that received an Unfunded Approval on January 27 would be placed on the unfunded list first, followed by the application that received an unfunded approval on February 24).
3. The District acknowledges that by participating in the priority funding round, the district is waiving its right to a standard 18-month timeline for fund release.

Not all of the statements above will apply to all projects. Districts receiving an apportionment for Design Only applications will receive an automatic fund release without submitting a Form SAB 50-05. Even though no Form SAB 50-05 is required, these districts must still state that they will meet condition number two listed above.

When a project on the unfunded approvals list has a Financial Hardship approval, the district must undergo a review of their financial records to determine if they have any additional funds available to contribute to their project(s) prior to receiving an actual apportionment. For projects added to an unfunded list between February 25, 2009 and June 30, 2011, only the district's revenue received on or after July 1, 2011 will be considered in the calculations of available funds. Projects added to the unfunded approvals list after July 1, 2011 will be subject to a review of additional funds available.

Step 2: Apportionment

The twice a year priority funding request process has changed the way priority funding apportionments are made. As a result of the new system, the Board can make ongoing monthly priority funding apportionments from cash returning to the SFP. This process makes it possible to provide apportionments to facility hardship applications as soon as cash becomes available. Ongoing priority funding apportionments, however, are not limited to facility hardship applications. These ongoing apportionments are made based on the unfunded approval date of districts with valid requests.

In order to make apportionments, the Board must have available cash to match the allocated bond authority. The Board typically has two main avenues of receiving cash in order to make apportionments, bond sale proceeds and cash returning to the SFP. The majority of cash available for apportionments comes from bond sale proceeds. These proceeds allow the Board to provide a large number of apportionments at a single Board meeting. Prior to the current twice a year request system, priority funding rounds were only held if a bond sale made cash available to the program.

(Continued on Page Five)

STAFF ANALYSIS/STATEMENTS (cont.)

Additionally, the Board is able to make apportionments from sources of cash other than bond sales, such as cash returning to the SFP through rescissions, return of savings, Reductions to Costs Incurred (RCI), closeout audits, etc. The total amount of cash made available through this avenue is very small compared to bond sales. Prior to May 2011, cash returning to the program was combined with bond sale proceeds as a part of specific priority funding rounds.

The return of cash to the SFP becomes available at different stages. Cash and authority returning from rescissions due to Time Limit on Fund Release are immediately available for allocation at the Board's discretion. Cash/authority returning from closeout audits and RCIs may take time for the authority to become available for reallocation. The authority in these instances is not made available to the Board until the cash has been returned to the State. If a district is eligible to repay the funds on a repayment plan, it may be years before the cash returns and the authority is available for reallocation.

Pursuant to SFP Regulation Section 1859.90.2, "In the event that the amount of requests received during a specific 30-day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an apportionment cannot be provided shall retain their date order position on the Unfunded List. Request letters of projects not converted to apportionments will not be returned to the district or kept by the Office of Public School Construction."

Step 3: Fund Release

From the date that the Board converts an unfunded approval to an apportionment, the District will have 90 days to submit a completed Form SAB 50-05 that meets all of the existing requirements. The Form SAB 50-05 submittal must contain an original signature from a designated District Representative and must be physically received by the OPSC prior to the close of business on the 90th day. Projects that fail to meet this deadline shall be rescinded with no further Board action. A rescinded application will revert back to an unfunded approval at the bottom of the unfunded approvals list and cannot be guaranteed future state funding. The new unfunded approval date will be equivalent to the due date of the Form SAB 50-05.

AUTHORITY

Budget Letter 10-09 requires that if there are insufficient bond proceeds, departments and agencies are responsible for prioritizing the projects that will be funded consistent with the prioritization criteria outlined (including job creation). It also indicates that if bond proceeds are not managed efficiently, additional bonds may not be sold for the program.

Government Code Section 15503 states:

> Whenever the board is required to make allocations or apportionments under this part, it shall prescribe rules and regulations for the administration of, and not inconsistent with, the act making the appropriation of funds to be allocated or apportioned. The board shall require the procedure, forms, and the submission of any information it may deem necessary or appropriate. Unless otherwise provided in the appropriation act, the board may require that applications for allocations or apportionments be submitted to it for approval.

Education Code Section 17070.35(a) states:

> In addition to all other powers and duties as are granted to the board by this chapter, other statutes, or the California Constitution, the board shall do all of the following:
> (1) Adopt rules and regulations, pursuant to the rulemaking provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, for the administration of this chapter…
> (2) Establish and publish any procedures and policies in connection with the administration of this chapter as it deems necessary…

SFP Regulation Section 1859.90.2 states:

> The priority funding process allows the Board to distribute available funds to districts or charter schools who request an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July each calendar year. Certifications are valid until the next filing period begins. Requests must be physically received by the OPSC by the 30th calendar day to be considered valid. During any priority funding process a district or charter school must submit the Form SAB 50-05 within a specified time period of the Apportionment or approved advance release of funds request, pursuant to (a)(2) or (b)(2) of this section. Projects receiving an apportionment as part of the priority funding process for which the OPSC does not physically receive an original signature copy of the Form SAB 50-05 within the appropriate time limit shall be rescinded without further Board action.
> (a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a written statement signed by an authorized representative that includes each of the project application numbers, and the type of apportionment request (e.g., Apportionment, separate apportionment for design or site acquisition), within the 30 calendar day filing period that contains all of the following:
> (1) Request to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and
> (2) Concurrence with a 90 calendar day time limit on fund release; and
> (3) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within the 90 calendar day time limit and failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and

(4) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is waiving its right to a standard 18 month timeline for fund release submittal.

(b) In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the district or charter school must provide a written statement signed by an authorized representative within the 30 calendar day filing period that contains all of the following:

(1) Request to convert the advance release of funds to an approved advance release of funds request; and,

(2) Concurrence with a 180 calendar day time limit on fund release; and

(3) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within the 180 calendar day time limit and failure to do so will result in the rescission of the approved advance release of funds request without further Board action; and

(4) Acknowledgement that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and failure to do so will result in the rescission of the approval without further Board action.

In the event that the amount of requests received during a specific 30-day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an Apportionment cannot be provided shall retain their date order position on the Unfunded List. Request letters of projects not converted to apportionments will not be returned to the district or kept by the Office of Public School Construction.

For purposes of this section “rescinded” or “rescission” shall mean that the apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date. The new unfunded approval date will be 90 calendar days after the apportionment date. The district or charter school will not be required to re-submit the application and no further application review will be required.

SFP Regulation Section 1859.129(b)(2) states:

Has 18 months from the date the [Division of State Architect] DSA and [California Department of Education] CDE approved plans were submitted to the OPSC to submit a completed Form SAB 50-05 or the apportionment will be rescinded without further Board action. If the district is requesting an Apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the apportionment.”

SFP Regulation Section 1859.197 (b)(2) states:

Has 18 months from the date the CDE plan approval and DSA-approved plans and specifications, as needed, are submitted to the OPSC to submit a completed Form SAB 50-05 or the apportionment shall be rescinded without further Board action. If the district is requesting an apportionment pursuant to Section 1859.90.1 or 1859.90.2, the Board will require that this time limit be reduced to no more than 90 days from the date of the apportionment.
