MINUTES
State Allocation Board
January 25, 2012

Upon notice duly given, the monthly meeting of the State Allocation Board was held at the State Capitol, Room 447, in Sacramento, California on January 25, 2012 at 4:00 p.m.

Members of the Board present were as follows:

- Pedro Reyes, Chief Deputy Director, Policy, Department of Finance, designated representative for Ana Matosantos, Director, Department of Finance (DOF)
- Esteban Almanza, Chief Deputy Director, Department of General Services, designated representative for Fred Klass, Director, Department of General Services (DGS)
- Jeannie Oropeza, Deputy Superintendent of Public Instruction, Services for Administration, Finance, Technology & Infrastructure Branch, California Department of Education (CDE), designated representative for Tom Torlakson, Superintendent of Public Instruction
- Senator Alan Lowenthal
- Senator Loni Hancock
- Assembly Member Julia Brownley
- Assembly Member Joan Buchanan
- Assembly Member Curt Hagman

Member of the Board absent was as follows:

- Senator Sharon Runner

Representatives of the State Allocation Board (SAB) were as follows:

Lisa Silverman, Acting Executive Officer
Bill Savidge, Assistant Executive Officer

Representatives of the Department of General Services, Office of Public School Construction (OPSC), were as follows:

Lisa Silverman, Acting Executive Officer
Juan Mireles, Chief, Program Services

Representative of the Department of General Services, Office of Legal Services, was as follows:

Lance Davis, Staff Counsel

With a quorum present, Mr. Reyes, Chair, called the meeting to order at 4:04 p.m.

The Chair brought up the Project Information Worksheet (PIW) and stated that the PIW had been held over several times because Senator Runner had an interest in it. He indicated that he did not know when Senator Runner would be back and asked what the will of the Board would be regarding the PIW. He suggested that perhaps the PIW be sent to the Implementation Committee to work out some of the issues and come up with ways to streamline and apply the PIW to other programs. The SAB was in agreement with the direction to the Implementation Committee. The Chair also addressed the Closed Session and stated that there was no need to hold a Closed Session since the issue had been resolved.

PRIOR MINUTES

A motion was made, and carried, to approve the Minutes from the December 14, 2011 SAB meeting; however, Ms. Oropeza abstained from voting on the Minutes because she was not in attendance at that meeting.

EXECUTIVE OFFICER'S STATEMENT

The Acting Executive Officer informed the Board of the following:

EXECUTIVE OFFICER'S STATEMENT (cont.)

Fund Releases for December 2011 Priority Funding Apportionments

At the December 2011 meeting, the SAB approved $923.8 million for Priority Funding Apportionments for 377 projects. As a result of that action and as of January 20, 2012, the OPSC received a total of 194 fund release requests for $442.7 million and nearly $369.6 million was released for 169 projects. The SAB was reminded that districts that received a Priority Funding Apportionment on December 14, 2011 would have to complete a *Fund Release Authorization* (Form SAB 50-05) containing an original signature, and submit it to the OPSC by Tuesday, March 13, 2012. If the Form SAB 50-05 was not physically received at the OPSC by 5:00 p.m. on Tuesday, March 13, 2012, the project would be rescinded without further Board action and would receive a new Unfunded Approval date of March 13, 2012.

New Priorities in Funding Certification Period Currently Open

The new 30-day Priority Funding certification filing period commenced on January 11, 2012 and expired on Thursday, February 9, 2012. As of Friday, January 20, 2012, the OPSC received certifications for 83 projects from 46 school districts, representing approximately $273 million in unfunded approvals. Currently, there were 464 projects from 153 school districts, representing approximately $1.31 billion on the Unfunded Approvals List.

It was stated that all previously submitted certifications expired. Therefore, school districts and charter schools must submit new certifications in order to be eligible to receive Priority Funding Apportionments for projects on the Unfunded Approvals List. It was noted as a reminder that all projects approved in the January 2012 agenda were also eligible to participate. Certifications with original signatures must be physically received by the OPSC before 5:00 p.m. on Thursday, February 9, 2012. The new certifications would be valid through July 10, 2012. For information on requirements and instructions for submitting certifications, please refer to the "Procedures for School Facility Program Funding" (http://www.documents.dgs.ca.gov/opsc/Attachments/PIF_Procedures_7-27-11.pdf.)

New Construction Sub-Committee Hearing Update

The SAB's New Construction Sub-Committee held its second hearing on January 11, 2012. Assembly Member Joan Buchanan presented an overview of the hearing, which was included in the Reports Section of the January 25, 2012 SAB Agenda. It was noted that the Sub-Committee would have its third hearing on Monday, February 6, 2012 from 3:30 p.m. to 5:30 p.m. The Sub-Committee agenda and a link to the webcast were posted on the OPSC Website at: http://www.dgs.ca.gov/opsc/aboutus/sab/archives.aspx.

Prevailing Wage Monitoring Requirements Information Session

The OPSC and the Department of Industrial Relations held an information session on the new prevailing wage monitoring requirements that became effective on January 1, 2012. It was stated that additional information was made available on the OPSC Website and that the webcast would be posted in two to three days at: http://www.dgs.ca.gov/opsc/aboutus/sab/archives.aspx.

New Use of Modernization Funds

For modernization applications submitted on or after January 1, 2012, local educational agencies could use School Facility Program (SFP) modernization funds on characteristics of high performance or "green" schools. These characteristics could include, but are not limited to, new renewable energy systems such as photovoltaic systems (solar panels). Senate Bill 128 (Lowenthal), Chapter 622, Statutes of 2011, added Education Code Section 17074.25(b), which authorizes this expanded use of modernization funds. High performance characteristics are eligible expenditures whether they make up the entire scope or only a portion of the modernization project. The OPSC is available to assist local educational agencies that intend to submit a funding application for a modernization project that includes high performance characteristics.

EXECUTIVE OFFICER'S STATEMENT (cont.)

In response to this topic, Senator Lowenthal thanked the OPSC staff for moving forward on expanding what is allowable under modernization by accessing high performance characteristics. He also stated that the bill included the Career Technical Education Facilities Program (CTEFP), which would allow these types of projects to access high performance grants and that the Implementation Committee would be working out high performance issues associated with the CTEFP.

Charter School Facilities Program (CSFP) Advance Site and Design Funding

At its last month's meeting, the SAB directed staff to identify available cash for CSFP advance site and design fund releases. Approximately $27.7 million was still needed. Staff was happy to announce that approximately $7 million became available, leaving a net need of $20.7 million. The deadline to submit fund release requests for CSFP advance site and design approvals will be Wednesday, May 2, 2012.

Ms. Oropeza acknowledged the hard work of staff in getting the funding out quickly for the SFP projects and stated that it does not go unnoticed.

Public Comments

Mr. Bruce Hancock, representing Hancock, Gonos & Park consulting firm, addressed the SAB regarding an issue that the Oceanside Unified School District had placed in a letter concerning the priority funding round and how the available funding is distributed. His belief was that when funds become available determines the list of priority funding projects to receive those funds. He further stated that during a six-month period when there is a priority funding list, any funds that become available should be apportioned, under the SAB's guidelines, to projects that are on the list at that time.

In response to this issue, the SAB requested that this issue be agendized for the February 2012 SAB meeting.

CONSENT ITEMS

A motion was made, and seconded, to approve the Consent calendar as presented, including Tab #7 for the Centinela Valley Union High School District (50/64352-00-004) and Tab #11 for the School Facility Program Regulatory Amendments. The Chair called for a roll-call vote, and the motion carried per the following votes:

FINANCIAL REPORTS

Status of Fund Releases

The Acting Executive Officer presented this item to the SAB and the SAB accepted the Status of Fund Releases report as presented.

FINANCIAL REPORTS (cont.)

Status of Funds

The Acting Executive Officer presented this item to the SAB and the SAB accepted the Status of Funds report as presented.

APPEAL ITEMS

Centinela Valley Union High/Los Angeles 50/64352-00-004

This item was approved with the Consent portion of the agenda. A motion was made, and seconded, to approve the staff's recommendations, which included but was not limited to: 1) accepting staff's Option #1, which reduced the project to costs incurred, but disallowed the costs of the modular components in the amount of $723,276 and the demolition in the amount of $26,500 since these were costs after the Aurora bankruptcy. Also, the SAB found that the District was unable to move forward with the project; 2) reducing the State apportionment to costs incurred as shown on Attachment D; and 3) directing staff to adjust the District's baseline eligibility (identified in the "Pupils Returned to the District's Baseline" column), once all funds due to the State have been received. The Chair called for a roll-call vote, and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock	X			
Senator Runner				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman	X

Pedro Reyes	X			
Total	8			1

Motion:

Carried _X_

Failed ___

San Jose Unified/Santa Clara 57/69666-00-047

Mr. Juan Mireles, representing the SAB staff, presented this item to the SAB. He provided background on how eligibility is established in the SFP and stated that funds cannot be accessed for new construction and modernization unless eligibility has been established. He indicated that the District established eligibility for 45 school sites out of 57 school sites and, unfortunately, this project (Horace Mann Elementary school site), was not one of the 45 school sites. He explained that for this school site, the District elected to move forward with local funds and demolish a total of 17 classrooms and build back 33 classrooms and that the project was completed in 2003. It was also stated that in 2008, the District inquired if it could establish eligibility for the Horace Mann Elementary School site using older diagrams that reflected the ages of the buildings prior to the replacement project. It was at this time that the OPSC staff informed the District that it could move forward with establishing modernization eligibility for the site. The District submitted the documentation and established eligibility at the December 2008 SAB meeting. In April 2009, the District submitted a funding application at which point the staff re-evaluated the eligibility using the old diagrams and concluded that the eligibility was in violation of the SFP regulations. The District withdrew its funding application and later resubmitted it requesting reconsideration. Staff maintained its position and the District filed an appeal. Further, it was noted that although the information provided to the District was incorrect in 2008, staff firmly believes that there is no authority and that it goes against the requirements in the regulations. The following individuals addressed the SAB as representatives of the District and in support of its appeal:

- Ms. Ann Jones, Chief Business Officer
- Mr. Steve Adamo, Director of Facilities
- Mr. Bruce Hancock, representing Hancock, Gonos & Park consulting firm

APPEAL ITEMS (cont.)

San Jose Unified/Santa Clara 57/69666-00-047 (cont.)

It was stated that new construction eligibility could not be used to replace existing classrooms because new capacity must be created. Mr. Mireles also reiterated to the SAB that the 17 classrooms demolished by the District could have qualified for replacement for modernization funding and the 16 additional classrooms could have qualified for new construction funding. A motion was made, and seconded, to approve the District's appeal. The Chair called for a roll-call vote, and the motion failed per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal			X	
Senator Hancock	X			
Senator Runner				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X			
Assembly Member Hagman			X

Failed _X_

In addition, the SAB directed the Implementation Committee to come up with some guidelines for limiting when applications could be filed, specifically requesting retroactive funding for projects that have never been filed in the first place.

Pittsburg Unified/Contra Costa 50/61788--00-006

This item was withdrawn at the request of the District.

Needles Unified/San Bernardino 51/67801-00-001

Senator Jean Fuller presented the District's position to the SAB. Ms. Tracy Sharp, representing the SAB staff, presented the staff's position to the SAB and stated that the District had requested that the OPSC consider the additional funding under two avenues: 1) as an error and omission on the original project for site development. Regulation Section 1859.76 provides for eligible site development when the new buildings are in-line with the footprint of the old buildings; and 2) an exception to the full and final apportionment for relocation costs in the process of the project. This type of cost is defined in Title 25, California Code of Regulations, and provides for relocation expenses for a displaced entity in the course of eminent domain proceedings. Both of these avenues did not fit the District's situation so the OPSC administratively denied the District's request. Senator Fuller indicated that the District had to move since the school was on leased land from the Bureau of Reclamation. The following individual addressed the SAB as a representative of the District and in support of the District's appeal:

- Mr. Mike Davitt, Superintendent

APPEAL ITEMS (cont.)

Needles Unified/San Bernardino 51/67801-00-001 (cont.)

A motion was made, and seconded, to approve the District's appeal. The Chair called for a roll-call vote, and the motion failed per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock			X	
Senator Runner				X
Assembly Member Brownley			X

Motion:

Carried ___
Failed _X_

Senator Fuller asked that the item be placed on call. It was at this time that Assembly Member Brownley brought up a procedural issue relating to actions that the SAB has been taking and she asked whether those actions are appropriate relative to the Mason's Legislative Manual. She stated that the rules really do not allow the staff to recommend take no action and that the SAB has to take an action. She indicated that perhaps this issue should be something the SAB Rules and Procedures Sub-Committee should review to ensure the SAB is acting appropriately. The Chair responded by stating that the staff is laying out different options for the SAB and if the issues were clean-cut, staff would take an administrative action on it. However, for those times when the situations are not clean-cut, staff has to deny the district's request and have the SAB essentially overrule staff's action. Assembly Member Brownley explained that the manner in which staff writes up the recommendations to not take any action does not allow the SAB to make a deliberative choice on the matter. Assembly Member Hagman stated that if the SAB takes no action it means that what staff has done (i.e., issue follows the rules and guidelines) has been confirmed. The SAB has to take an affirmative action to change what was administratively done. Ms. Oropeza indicated that for all of the years she sat on the SAB, the intent was to not have the SAB take an action. She further stated that she did not think the issue needed to go the SAB Rules and Procedures Sub-Committee, but suggested that staff maybe write the recommendations differently to make it clearer. Assembly Member Brownley stated that would work.

After some time and because Senator Fuller asked that the vote on the motion to approve the Needles Unified School District's appeal be placed on call, the Chair called for a second roll-call vote to approve the District's appeal, and the motion failed a second time, per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock			X	
Senator Runner				X
Assembly Member Brownley			X	
Assembly Member Buchanan	X			
Assembly Member Hagman	X

Index Adjustment on the Assessment for Development

Mr. Michael Watanabe, representing the SAB staff, presented this item to the SAB. A motion was made, and seconded, to approve the staff's recommendation, which would adjust the 2012 maximum Level I assessment for development using the Marshall & Swift Eight California Cities Index to be effective immediately. The Class B Construction Cost Index adjustment increased by 8.21 percent, which would adjust the Residential from $2.96 per square foot to $3.20 per square foot and the Commercial/Industrial would be from $.47 per square foot to $.51 per square foot. A motion was made, and seconded, to approve the staff's recommendation. The Chair called for a roll-call vote, and the motion carried per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal	X			
Senator Hancock	X			
Senator Runner				X
Assembly Member Brownley	X			
Assembly Member Buchanan	X

Total	8			1

Motion:

Carried _X_

Failed ___

In addition, the SAB discussed making the Marshall & Swift Eight California Cities Index the permanent Index and not compare the Marshall & Swift Ten Western States Index because the cost of construction should only be based on the cost of construction in California.

Options for the Execution of the 2012 Grant Amounts

Mr. Michael Watanabe, representing the SAB staff, presented this item to the SAB and provided background information concerning the SAB's actions on the application of the Construction Cost Index on the per-pupil grant amounts for calendar years 2010 and 2011. He pointed out how much bond authority would be needed for the SAB to apply the 2012 Construction Cost Index to projects on the Unfunded Approvals List by year (i.e., pre-February 2010, 2010, and 2011. He also walked the SAB through all four staff options: 1) Option #1 – take no action and provide no adjustments to the SFP grant amounts for any project added to the Unfunded List prior to January 2012; 2) Option #2 – provide an increase for all projects that received unfunded approvals in 2011; 3) Option #3 – provide an increase for all projects with 2010 and 2011 unfunded approvals; and 4) Option #4 – provide increases for all projects on the unfunded approvals list. Assembly Member Buchanan stated that she was in support of staff's Option #1. The Chair asked for public comments and the following individuals addressed the SAB:

- Mr. Joe Dixon, Assistant Superintendent of Facilities for the Santa Ana Unified School District, stated that bid prices were coming up and indicated he would like to see projects on the Unfunded List going forward receive the increase.
- Mr. Tom Duffy, representing the Coalition for Adequate Housing (CASH) organization, addressed the question concerning the price is going up and what that means. He stated there have been slight increases with the cost of labor and continued increases with the cost of materials. He indicated that contractors have not been marking up their prices because they want to stay in business, but it is deceptive. He also stated that the CASH would be in support of Option #4 and pointed out that there is a provision in the 2006 bond bill that allows for a review of construction costs and that the SAB has the ability to make an adjustment to the per-pupil grant amounts. He also stated the need to maintain the integrity of the SFP.
- Mr. Lyle Smoot, representing the Los Angeles Unified School District, stated that he did not think the SAB had historically denied the adjustment to projects on the Unfunded List and he asked staff to respond to the history. He also stated that the SAB apply the increase to all projects.
- Mr. Richard Lyon, representing the California Building Industry Association, stated support for Option #1.

ACTION ITEMS (cont.)

Options for the Execution of the 2012 Grant Amounts (cont.)

Assembly Member Brownley asked staff to respond to the adjustment history referred to by Mr. Smoot. The Chair asked if staff had any information on the history. The Acting Executive Officer responded that staff did not have that information available for this meeting. A motion was made, and seconded, to approve the staff's Option #1. The Chair called for a roll-call vote, and the motion failed per the following votes:

MEMBER	AYE	NAY	ABSTAIN	ABSENT
Senator Lowenthal			X	
Senator Hancock	X			
Senator Runner				X
Assembly Member Brownley			X	
Assembly Member Buchanan	X			
Assembly Member Hagman	X			
Esteban Almanza	X			
Jeannie Oropeza			X	
VACANT				
Pedro Reyes	X			
Total	5		3	1

Motion:

Carried ___
Failed _X_

The SAB requested that staff provide information on the history of adjustments and held this item over to the February 2012 SAB meeting.

REPORTS, DISCUSSION, AND INFORMATION ITEMS

New Construction Sub-Committee Status Report

Assembly Member Buchanan presented this item to the SAB and provided background on the first two sub-committee hearings. She explained that the Sub-Committee is still in the discussion phases trying to find consensus and that all of the Sub-Committee members are in complete agreement to avoid Level III developer fees. She also informed the SAB that the Sub-Committee hearing scheduled for Monday, February 6, 2012 would need to be rescheduled quickly with the hope of presenting an item at the February 2012 SAB meeting to the full SAB. Assembly Member Brownley thanked Assembly Member Buchanan for her work on the Sub-Committee and stated that a recommendation should come from the Sub-Committee to the full SAB for further discussion. She also indicated that it is important to advocate for additional bond funding. Assembly Member Buchanan responded that she voted for Assembly Member Brownley's bond bill and that it is critical that the bond bill be kept in front of the people so they understand the need for school construction and extending the SFP. Mr. Tom Duffy, representing the CASH Organization, addressed the SAB in support of a bond for schools. He stated that the bond would create jobs and that the CASH Organization's intent would be to press forward and let the Governor and other legislators know the need.

Approved School Facility Program Consent and Appeal Items Report

The Acting Executive Officer presented this item to the SAB and the SAB accepted the report as presented.

State Allocation Board Three-Month Projected Workload

State Allocation Board Meeting Dates for the 2012 Calendar Year

School Facility Program Unfunded List as of December 12, 2011

Emergency Repair Program Unfunded List as of December 14, 2011

Facility Hardship/Rehabilitation Approvals Without Funding as of December 7, 2011

MISCELLANEOUS

- Senator Hancock requested that an item be agendized for the February 2012 SAB meeting concerning the movement of funds from the Lease-Purchase Program, which has about $12 million, to the SFP Joint-Use account. She indicated that a Legislative Counsel's opinion has been requested and as soon as it was available, it would be shared with staff. The Acting Executive Officer responded that the staff has been pursuing legal clarifications with the Attorney General's Office in that area to ensure whether the SAB has the ability to access those funds.

ADJOURNMENT

There being no further business to come before the Board, the Chair adjourned the meeting at 6:12 p.m.

LISA SILVERMAN, Acting Executive Officer
