REPORT OF THE EXECUTIVE OFFICER
State Allocation Board Meeting, July 10, 2013

PRIORITY FUNDING SCHOOL CONSTRUCTION APPORTIONMENTS

PURPOSE OF REPORT

To provide priority funding apportionments for the School Facility Program (SFP) in the amount of $41.6 million.

DESCRIPTION

At the May 2011 State Allocation Board (Board) meeting, the Board approved proposed regulations establishing two annual filing periods for prioritizing school construction funding as cash proceeds became available to provide apportionments. The proposed regulations created two 30-day periods in which school districts could request to receive an apportionment upon acknowledgement that a *Fund Release Authorization* (Form SAB 50-05) could be submitted within 90-days of receiving an apportionment.

The Office of Administrative Law (OAL) approved the regulations on July 27, 2011. Based on the regulations, the latest 30-day filing period began on May 8, 2013 and ended on June 6, 2013. Requests must have been physically received by the Office of Public School Construction (OPSC) on or before June 6, 2013 and are valid July 1 – December 31, 2013.

By approving this item, the Board will provide apportionments for 17 projects for 14 school districts in the amount of $ 41.6 million.

AUTHORITY

See Attachment A.

BACKGROUND

Communication

Since the Board approved the establishment of two priority funding request periods per year, the OPSC continues to actively communicate the information to all school districts as follows:

- Staff has dedicated a new section of the OPSC website to the priority funding process.
- Staff sends electronic notifications of upcoming/current filing periods to all school districts in the state.
- The OPSC updated its website to provide districts with procedures to submit an apportionment request under the priority funding process.
- Articles are included in the monthly OPSC publication, *Building Blocks,* which is displayed on the OPSC website. Email notifications with a link to new issues of *Buildings Blocks* are sent to all school districts.
- Staff provides outreach at monthly county office of education meetings held throughout the state.

Requests/Acknowledgements

Pursuant to SFP Regulations, districts choosing to participate in the priority funding process must submit a request to convert an Unfunded Approval to an apportionment. As part of the request, districts are required to make the following acknowledgements:

(Continued on Page Two)

BACKGROUND (cont.)

Requests/Acknowledgements (cont.)

- The District understands that the time limit on fund release shall be no more than 90 days from the date of Apportionment.
- The District acknowledges that failure to submit a valid *Fund Release Authorization* (Form SAB 50-05) within the 90-day period will result in the project being rescinded without further Board action. A rescinded application will revert back to an unfunded approval at the bottom of the unfunded list and cannot be guaranteed bond authority. The application will receive a new unfunded approval date of Tuesday, October 8, 2013. In the case of multiple rescissions, each application will be placed at the bottom of the unfunded approvals list in the order of the original unfunded approval date.

  (Example: Two applications are rescinded with unfunded approval dates of January 27, 2010 and February 24, 2010. The application that received an unfunded approval on January 27, 2010 would be placed on the unfunded list first, followed by the application that received an unfunded approval on February 24, 2010).
- The District acknowledges that by participating in the priority funding process, the district is waiving its right to the 18-month timeline for fund release submittal.

There is nearly $55.5 million in available cash in Propositions 1A, 47, 55, and 1D. By approving this item, the Board will provide $41.6 million in apportionments for 17 projects on the Unfunded List (Lack of AB 55 Loans) that have submitted priority funding requests and are eligible for an apportionment. Any requests by districts to participate in the priority funding process that are not converted to apportionments shall retain their date order position on the Unfunded List (Lack of AB 55 loans).

This priority funding round has generated requests from 63 school districts for 109 out of 243 projects, which represent 44.9 percent of the projects on the Unfunded List (Lack of AB 55 Loans) that could have submitted requests. Currently, there are $358.3 million in apportionment requests, which exceeds the $55.5 million in available cash.

The recommended apportionments are based on the Unfunded Approval date and received date of the applications that submitted a funding request. The attachments provide detailed lists of the apportionment requests received during this filing period that remain on the Unfunded List (Lack of AB 55 Loans). The applications receiving an apportionment are highlighted in Attachments B, C, D, E, and F.

The table below contains a detailed breakdown of all of the priority funding requests that were submitted during the filing period ending June 6, 2013 and have not yet received apportionments. The requests are valid through December 31, 2013.

The following table contains a detailed breakdown of the requests receiving an apportionment at the July 10, 2013 Board meeting.

*17 unique application numbers from 14 unique districts are recommended for apportionment. Districts that have unfunded approvals in multiple program categories may be counted more than once in the above table.

The following table contains a breakdown of the apportionments within each proposition:

Proposition	Available Cash as of June 24, 2013	-	July 2013 Priority Funding Apportionments	=	Total Unallocated
1A	$ 1,694	-	$ -	=	$ 1,694

1D	2,039,179	-	1,636,441	=	$ 402,738
	$ 55,492,780	-	**$ 41,585,391**	=	**$ 13,907,389**

Unallocated Proceeds
Unallocated proceeds will be available for future apportionments once enough proceeds are available to fund the next project with a valid request to participate in the priority funding process.

Financial Hardship Project Apportionments
Of the 17 applications receiving an apportionment, 5 applications are for 4 school districts that received financial hardship funding. Staff completed a re-review of district funds for 1 of the 4 districts. The remaining 3 districts did not require a re-review because they had a financial hardship review in the last six months.

Fund Release Requirements
Districts receiving apportionments are required to submit a valid Form SAB 50-05 containing an original signature for each approved application. Forms SAB 50-05 must be physically received by the OPSC at 707 Third Street, West Sacramento, CA 95605 prior to the close of business on October 8, 2013. If a district fails to submit a valid Form SAB 50-05 within the allotted time frame, the project will be rescinded without further Board action and will receive a new Unfunded Approval date of October 8, 2013 on the Unfunded List (Lack of AB 55 Loans).

STAFF ANALYSIS/STATEMENTS (cont.)

Non-Participation in Priority Funding Process

On March 25, 2013, regulation amendments regarding non-participation in the priority funding process became effective. The regulation changes limit the number of times a district can choose not to participate in the priority funding process for a project on the Unfunded List (Lack of AB 55 Loans). These regulations only apply to new construction, modernization, Facility Hardship replacement and rehabilitation projects.

New construction, modernization, Facility Hardship replacement or rehabilitation projects receiving an apportionment in this item that do not meet the 90-day deadline to submit a valid Form SAB 50-05 will have an occurrence of non-participation in the priority funding process. Projects with two occurrences of non-participation in the priority funding process will be rescinded without further Board action and removed from the Unfunded List (Lack of AB 55 Loans). The bond authority associated with the project will return to its respective program.

AUTHORITY

Education Code Section 17070.35(a) states:

"In addition to all other powers and duties as are granted to the board by this chapter, other statutes, or the California Constitution, the board shall do all of the following:

(1) Adopt rules and regulations, pursuant to the rulemaking provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, for the administration of this chapter…

(2) Establish and publish any procedures and policies in connection with the administration of this chapter as it deems necessary…."

Government Code Section 15503 states:

Whenever the board is required to make allocations or apportionments under this part, it shall prescribe rules and regulations for the administration of, and not inconsistent with, the act making the appropriation of funds to be allocated or apportioned. The board shall require the procedure, forms, and the submission of any information it may deem necessary or appropriate. Unless otherwise provided in the appropriation act, the board may require that applications for allocations or apportionments be submitted to it for approval.

Budget Letter 10-09 requires that if there are insufficient bond proceeds, departments and agencies are responsible for prioritizing the projects that will be funded consistent with the prioritization criteria outlined (including job creation). It also indicates that if bond proceeds are not managed efficiently, additional bonds may not be sold for the program.

School Facility Program (SFP) Regulation Section 1859.2 states:

'For the purpose of these regulations, the terms set forth below shall have the following meanings, subject to the provisions of the Act:…

"Unfunded List" means an information list of unfunded projects, with the exception of the unfunded list defined below as "Unfunded List (Lack of AB 55 Loans)".

"Unfunded List (Lack of AB 55 Loans)" means an information list of unfunded projects that was created due to the State's inability to provide interim financing from the Pooled Money Investment Account (AB 55 loans) to fund school construction projects as declared in the Department of Finance Budget Letter #33 issued on December 18, 2008.'

SFP Regulation Section 1859.90.2, "Priority Funding Process" states:

The priority funding process allows the Board to distribute available funds to districts or charter schools that request, pursuant to (a) or (b) below, as applicable, an Apportionment or an advance release of funds from a Preliminary Apportionment or Preliminary Charter School Apportionment, during specific 30-calendar day filing periods beginning with July 27, 2011 and continuing with the 2nd Wednesday of January and the 2nd Wednesday of July of 2012. Requests submitted during the filing periods described above are valid until the next filing period begins. The specific 30-calendar day filing periods subsequent to 2012 begin with January 9, 2013 and continue with the 2nd Wednesday of May and the 2nd Wednesday of November, each calendar year. Requests submitted during the filing period beginning with January 9, 2013 are valid until June 30, 2013. Requests submitted during a filing period beginning with the 2nd Wednesday of May are valid from July 1 until December 31 of that year. Requests submitted during a filing period beginning with the 2nd Wednesday in November are valid from January 1 until June 30 of the following year. Requests must be physically received by the OPSC by the 30th calendar day of each filing period to be considered valid.

(a) In order to be considered for an Apportionment, approved advance release of design funds from a Preliminary Charter School Apportionment, or approved advance release of environmental hardship site acquisition funds from a Preliminary Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative that includes each of the project application numbers, and the type of apportionment request (e.g., Apportionment,

separate apportionment for design or site acquisition), within the 30-calendar day filing period, and shall contain all of the following:

(1) Statement that the request is to convert the unfunded approval to an Apportionment or to receive an approved advance release of funds; and

(2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 90 calendar days of Apportionment or approved advance release of funds request and that failure to do so will result in the rescission of the Apportionment or approved advance release of funds request without further Board action; and

(3) Acknowledgement that, if the district submits the Form SAB 50-05 on or after July 1, 2013 and is required to submit an LCP third party report, pursuant to Section 1859.97(b), the report will be submitted to the OPSC and the DIR at least 60 days prior to submitting the Form SAB 50-05; and

(4) For those receiving an Apportionment, acknowledgement that by participating in the priority funding process, the district or charter school is waiving its right to the 18 month timeline for fund release submittal described in Section 1859.90.

(b) In order to be considered for an approved advance release of site acquisition funds from a Preliminary Charter School Apportionment, the district or charter school must provide a priority funding request in the form of a written statement signed by an authorized representative within the 30-calendar day filing period, and shall contain all of the following:

(1) Statement that the request is to convert the advance release of funds to an approved advance release of funds request; and,

(2) Acknowledgement that a valid, original signature Form SAB 50-05 must be submitted and physically received by the OPSC within 180 calendar days of the approved advance release of funds request and that failure to do so will result in the rescission of the approved advance release of funds request without further Board action; and

(3) Acknowledgement that it must provide evidence that it has entered into the Charter School Agreements within 90 calendar days of approval of the advance release of funds request and that failure to do so will result in the rescission of the approval without further Board action.

(c) If a district or charter school receives an Apportionment or approved advance release of funds request through the priority funding process, the OPSC must receive a valid, original signature copy of the Form SAB 50-05 within the specified time period, pursuant to (a)(2) or (b)(2) as applicable. If the OPSC does not receive a valid, original signature copy of the Form SAB 50-05 within the time period:

(1) The priority funding Apportionment or approved advance release of funds request shall be rescinded without further Board action, and

(2) If the application is not subject to rescission pursuant to Section 1859.90.3(c) as defined in Section 1859.90.3(d),
the application shall return to the Unfunded List (Lack of AB 55 Loans) with a new unfunded approval date that is 90 calendar days from the date of Apportionment or approval of the advance release of funds request.

(d) In the event that the amount of requests received during a specific 30-calendar day filing period exceeds the funds available, the Board shall apportion based on the unfunded approval date and the application received date up to the available cash from each bond source. Projects that have requested to participate in the priority funding process for which an Apportionment cannot be provided shall retain their date order position on the Unfunded List (Lack of AB 55
Loans). Requests not converted to apportionments will not be returned to the district or kept by the OPSC.

(e) For purposes of this section “rescinded” or “rescission” shall mean that the apportionment or approved advance release of funds request returns to unfunded approval status with a new unfunded approval date. The new unfunded approval date will be 90 calendar days from the apportionment date. The district or charter school will not be required to re-submit the application and no further application review will be required.
