Instructions

This form is used to inspect and evaluate the condition of the State Relocatable Classroom(s) (SRC), to indicate grade level use, and the payment method for the classrooms the district intends to purchase.

Please enter Yes or No in Column 4 below to best describe the condition of each SRC requested in Column 1. Yes, or "Good Repair," means a SRC that has no apparent defects or hazards and appears to be clean and safe to occupy. The interior and exterior of the SRC may require minor reconditioning or repair, but there are no major mechanical defects. No, or "Bad Repair," means a SRC that has apparent defects or hazards including major mechanical defects and is in a condition that is not safe and functionally fit to occupy.

Note

By signing the Lease Agreement, the school district accepted responsibility for maintaining the relocatable classroom and, when terminating the lease, restore it to a well-maintained or move-in condition. The school district acknowledges that this relocatable classroom may be transferred to another school district or private entity and must be in good repair and safe for student use. The school district further understands and agrees to indemnify, defend, and hold the State harmless from any and all claims by the school district or third parties, for damages because of injury to person(s), arising out of the use of the relocatable while on the premises of the school district.

Certification

I certify, as the authorized agent of _____ School District, the information reported on this form is true and correct and the relocatable classroom(s) the district intends to purchase for classroom use are in good repair to ensure they meet the equivalent pupil safety performance standard as a building constructed pursuant to Education Code Section 17002(d)(1) prior to housing students.
