To: **All Plastic Trash Bag Manufacturers, Plastic Trash Bag Suppliers, Plastic Trash Bag Wholesalers, and Interested Parties**

Subject: **Delay of the 2010 Annual Plastic Trash Bag Certification Due Date**

Due to the current State of California budget, the Department of Resources Recycling and Recovery (CalRecycle) has constraints limiting the staff resources available to work on the annual Plastic Trash Bags Program. In recognition of this limitation, CalRecycle is deferring the submission due date of the annual plastic trash bag certifications for six (6) months. The 2010 plastic trash bag certification submittal is extended from March 1, 2011 to September 1, 2011.

CalRecycle will send a notice/reminder at least three (3) months prior to the certification submittal due date, of September 1, 2011, to allow you the standard amount of time to complete the certification.

Should you have any questions regarding this notification, please contact Kathleen Marsh, Supervisor of the Jurisdiction & Product Compliance Unit at (916) 341-6475 or via e-mail at Kathy.Marsh@calrecycle.ca.gov.
