**5.408.2 Universal Waste**

- **Statement of specific purpose, problem, rationale and benefits:**

A California stakeholder (**Richard Ludt from Interior Removal Specialist, Inc.**) is proposing a new code section in CALGreen to address Universal Waste.

Since 2004 it has been unlawful to dispose of Universal Waste in landfills.

By adding Universal Waste to CALGreen, the AHJ's can provide more enforcement of existing landfill bans and increase the chance of tracking Universal Waste being removed from construction and demolition projects.
