

**CERTIFICATE OF COMPLIANCE**  
**[STATE AGENCY NAME]**  
**REGARDING THE [CODE NAME]**  
**CALIFORNIA CODE OF REGULATIONS, TITLE 24, PART [PART NUMBER]**

*(There are three types of certificates of compliance, one of which must be filed with the Commission before the end of the 180-day period.)*

**A. When the certificate is filed at the same time as the emergency adoption:**

The [STATE AGENCY NAME] hereby certifies that it complied with the provisions of Government Code Sections 11346.2-11346.9 prior to the adoption of the emergency building standards (or repealer) attached hereto.

**B. When the certificate is not filed with the emergency adoption, but notice and hearing have occurred prior to adoption of emergency standards:**

The [STATE AGENCY NAME] hereby certifies that it complied with the provisions of Government Code Sections 11346.2-11346.9 prior to the adoption of the emergency building standards (or repealer) attached hereto. These emergency standards were filed with the Secretary of State by the California Building Standards Commission on [DATE], and became effective on that date.

**OR**

**C. When notice and hearing have occurred after the emergency adoption:**

The [STATE AGENCY NAME] hereby certifies that it has, within 180 days of the effective date of the emergency building standards (or repealer) attached hereto and which were filed with the Secretary of State on [DATE], given notice of the adoption thereof and afforded interested persons the opportunity to present statements, arguments, or contentions in a manner substantially similar to that provided by Government Code Sections 11346.2-11346.9.
