BUILDING STANDARDS INFORMATION BULLETIN 13-01

DATE: May 16, 2013

TO: INTERESTED PARTIES

SUBJECT: California Building Standards Commission Title 24 Publications

The California Building Standards Commission has collaborated on and developed a number of publications that are intended to assist code users and local government building departments with the successful implementation of Title 24, California Code of Regulations. These publications are in the form of the published codes, guidebooks, information bulletins, press releases, newsletters, and forms and templates. All publications are available on or through the commission [website](#) and currently include the following:

- Codes Online (Title 24): 2010 & 2007 editions
- *California Solar Permitting Guidebook: Improving Permit Review and Approval for Small Solar Photovoltaic Systems;*
- *Guide to Title 24- California Building Standards Code 2010*
- *CALGreen 2013 Summaries:*
 - *Nonresidential Mandatory Measures*
 - *Residential Mandatory Measures*
- *BSC- Nonresidential CALGreen Guidebook (including 2012 supplements);*
- *BSC- Nonresidential Commissioning;*
 - *Sample Commissioning Project;*
 - *Sample Functional Performance and Testing;*
- *Guide to the California Green Building Standards Code Low-Rise Residential*
- *How to use our [CBSC] Website;*
- *Accessing State Regulations Online;*
- *Accessing State Laws Online;*
- *Accessing State Legislation Online;*
- *It's Your Building Department; and*
- *E-Newsletters*

The commission's quarterly [e-newsletter](#) similarly addresses topical issues and keeps readers apprised of current code cycle and rulemaking activity.

For more information concerning commission publications or if you have a suggestion for a future publication, you may contact us at (916) 263-0916 or via e-mail at cbsc@dgs.ca.gov.
