

July 11, 2008

The Honorable Denise Moreno Ducheny, Chair
Joint Legislative Budget Committee
1020 N Street, Room 553
Sacramento, CA 95814

Attn: Jody Martin, Principal Consultant

Dear Senator Ducheny:

Pursuant to the requirements of Government Code Section 8878.97, the Department of General Services (DGS) is submitting the Bond Act Expenditures for Local Government Buildings Report.

In keeping with our commitment to encourage conservation, we have posted this report to our website. The report can be viewed at <http://www.legi.dgs.ca.gov/Publications/2008LegislativeReports.htm>. The report is entitled *Earthquake Safety and Public Rehabilitation Bond Act of 1990 Status Report December 2007 -- Bond Act Expenditures for Local Government Buildings Report*.

If you wish to receive a printed copy of this report, please contact Joel McDonald, Chief, Seismic and Special Programs Section, Professional Services Branch, Real Estate Services Division, Department of General Services, at (916) 375-4884.

Sincerely,

William C. Bush
Director

REVISED 6/04/08

Local Government Buildings

Bond Act Expenditures

Earthquake Safety and Public Rehabilitation Bond Act of 1990
Status Report • December 2007

Prepared by: State of California, Department of General Services, Real Estate Services Division
707 3rd Street, Suite 4-330, West Sacramento, California 95605

PROGRAM STATUS

The Department of General Services (DGS) is issuing this report to the Legislature pursuant to the requirements outlined in Government Code Section 8878.97. The program is pleased to report that as of December 1, 2007, 99.6 percent of the program funds have been committed. Of the 167 projects initiated, 123 projects are complete, one project is in process, 14 projects have been cancelled because funding was not reappropriated by the Legislature, and 29 projects have been withdrawn by local agencies.

BACKGROUND

Under the Earthquake Safety and Public Buildings Rehabilitation Bond Act of 1990, voters approved bonds to be sold in the amount of \$300 million, of which \$50 million was for seismic retrofitting of local government essential services and public safety buildings. \$4,088,413 was set aside for support; \$500,000 was allocated to Riverside County per the provisions of SB 248 (Chapter 332, Statutes of 1993), and \$20,000 was allocated for State Treasurer's Office charges.

Phase I (1994) appropriated \$45,478,621 of the \$50 million for 113 seismic retrofit projects.

Phase II (1997) was comprised of 54 projects totaling \$8,785,566. (The first 27 were funded in 97/98 FY, 20 in 98/99 FY, the next seven in 99/00 FY.)

Reappropriations in the 1996, 1997, 1998, 1999, and 2000 Budget Acts included an amended list of projects, and resulted in a reversion of \$3,427,205. There were no reappropriations in 2001, 2002, 2003, 2004, and 2005. Funds for three projects, which had expired on June 30, 2004, were reinstated on July 1, 2005.

To date, 43 projects have been withdrawn, resulting in a reversion of \$3,642,296; and the 123 completed projects have resulted in project savings of \$2,018,388, which was reverted.

Therefore, the adjusted total appropriation is \$45,176,298, with a fund balance of \$215,289.

PROJECT LIST

This local government grant status report was prepared with data available as of December 1, 2007. The 167 projects are outlined in this report as follows:

First: Project in process (one project, listed in the 07/08 Budget Act).
Second: Projects complete (123 projects).
Third: Projects that were withdrawn (43 projects).

The dollar amounts approved in the Budget Act for each project are predicated upon preliminary estimates furnished by local governments. Once the local jurisdiction receives bids for the project, the grant is written for the lesser of either the estimate or the actual bid amount.

Following is an explanation of the headings on the project list:

1. Project - The name of the project; the address and use of structure; the name of the project manager for the local government, and phone number and FAX, if known.
2. Total Appropriation - The total Budget Act dollar amount.
3. Grant Amount - The dollar amount of either the actual construction bid or Budget Act amount, whichever is less.
4. Construction Award Date - The date a bid is awarded or anticipated to be awarded (the project is awarded to the contractor just after bid date). Where this column is blank, no information has been received.
5. Comments - Additional relevant items related to project progress, including any justification the local government has given for delays. Where this column is blank, no information has been received.
