OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

OXNARD UNION HIGH SCHOOL
DISTRICT.

OAH CASE NO. 2011010166

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On January 5, 2011, Parent filed a Due Process Hearing Request¹ (complaint) naming Oxnard Union High School District (District).

On January 20, 2011, Airionna Whitaker, attorney for District, filed a Notice of Insufficiency (NOI) as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.³ These requirements prevent vague and confusing complaints, and promote fairness by providing the

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under title 20 United States Code section 1415(b)(7)(A).

³ 20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).

named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁴

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁵ The pleading requirements should be liberally construed in light of the broad remedial purposes of the Individuals with Disabilities Education Act and the relative informality of the due process hearings it authorizes.⁶ Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.⁷

DISCUSSION

The facts alleged in Student’s complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student identifies a single issue that she should remain in home-hospital instruction and in particular until mental health assessments, that are currently scheduled in February 2011, are completed. It is clear from the information provided that Student contends that she cannot receive a FAPE in the District’s proposed placement. Student’s complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Therefore, Student’s statement of the claim is sufficient.

Student’s proposed resolutions request that she continue to receive home-hospital instruction until completion of assessments and the development of an individualized education program incorporating the recommendations of the assessment report. A complaint is required to include proposed resolutions to the problem, to the extent known and available to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student has met the statutorily required standard of stating a resolution to the extent known and available to her at the time.
