OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

PASADENA UNIFIED SCHOOL
DISTRICT.

OAH CASE NO. 2011090331

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On September 9, 2011, Parent on behalf of Student (Student) filed a Due Process Hearing Request¹ (complaint) naming Pasadena Unified School District (District). On, September 23, 2011, District filed a Notice of Insufficiency (NOI) as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of Title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.³ These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁴

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under Title 20 United States Code section 1415(b)(7)(A).

² 20 U.S.C. § 1415(b) & (c).

³ 20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV).

⁴ See, H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁵ The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.⁶ Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.⁷

DISCUSSION

The facts alleged in Student’s complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student’s complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation. Specifically, Student alleges that District failed in its child find duties, failed to timely assess Student and failed to provide Student with a free appropriate public education (FAPE) during the period of August 27, 2010 to December 7, 2010. As a proposed resolution, Student seeks reimbursement for costs and expenses associated with placement at Logan River Academy.
