In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

MURRIETA VALLEY UNIFIED SCHOOL  
DISTRICT.

OAH CASE NO. 2012020721

ORDER OF DETERMINATION OF  
SUFFICIENCY OF DUE PROCESS  
COMPLAINT

On February 17, 2012, parent, on behalf of Student, filed a Due Process Hearing Request<sup>1</sup> (complaint) naming the Murrieta Valley Unified School District (District) as respondent.

On February 29, 2012, District filed a Notice of Insufficiency (NOI) as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.<sup>2</sup> The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of Title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.<sup>3</sup> These requirements prevent vague and confusing complaints, and promote fairness by providing the

named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.<sup>4</sup>

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”<sup>5</sup> The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.<sup>6</sup> Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.<sup>7</sup>

## DISCUSSION

The facts alleged in Student’s complaint are sufficient to put the District on notice of the issues forming the basis of the complaint. Student’s complaint identifies the issues and adequate related facts about the problem to permit District to respond to the complaint and participate in a resolution session and mediation.

Student identifies four issues, including failure by District to (1) draft goals and implement services related to Student’s reading needs, (2) draft goals and implement services related to Student’s writing needs, (3) assess Student in all areas of need, including behaviors affecting attention in class, and (4) implement Student’s IEP addressing her behavioral issues. Student alleges that these failures to act have resulted in a denial of a free appropriate public education (FAPE), and requests a placement with more intensive academic and behavior intervention, as well as compensatory services.

District argues that Student has not provided sufficient facts to support the issues, but Student’s issues are themselves statements of fact, in that they describe the alleged actions or

inactions by the District upon which Student's claims are based. For instance, District either drafted appropriate reading goals or it did not (Issue #1), and District either assessed Student in all areas of need or it did not (Issue #3). No further factual specification is required.

Therefore, Student's statement of the claims is sufficient.
