In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

NORWALK-LA MIRADA UNIFIED
SCHOOL DISTRICT.

OAH CASE NO. 2012090570

ORDER DENYING REQUEST FOR
CONTINUANCE

On October 23, 2012, the parties filed a first stipulated request for a continuance in excess of 90 days. Although required by the OAH form that was submitted, the parties did not provide any reason justifying such a lengthy continuance.

A due process hearing must be conducted and a decision rendered within 45 days of receipt of the due process notice unless an extension is granted for good cause. (34 C.F.R. § 300.515(a) & (c) (2006); Ed. Code, §§ 56502, subd. (f), 56505, subd. (f)(3); Cal. Code Regs., tit. 1, § 1020.) As a result, continuances are disfavored. Good cause may include the unavailability of a party, counsel, or an essential witness due to death, illness or other excusable circumstances; substitution of an attorney when the substitution is required in the interests of justice; a party's excused inability to obtain essential testimony or other material evidence despite diligent efforts; or another significant, unanticipated change in the status of the case as a result of which the case is not ready for hearing. (See Cal. Rules of Court, rule 3.1332(c).) OAH considers all relevant facts and circumstances, including the proximity of the hearing date; previous continuances or delays; the length of continuance requested; the availability of other means to address the problem giving rise to the request; prejudice to a party or witness as a result of a continuance; the impact of granting a continuance on other pending hearings; whether trial counsel is engaged in another trial; whether the parties have stipulated to a continuance; whether the interests of justice are served by the continuance; and any other relevant fact or circumstance. (See Cal. Rules of Court, rule 3.1332(d).)

OAH has reviewed the request for good cause and considered all relevant facts and circumstances. The request is:

Denied. All prehearing conference and hearing dates are confirmed and shall proceed as calendared. Although OAH will generally grant stipulated continuance requests of less than 90 days, a longer continuance is inherently unreasonable without any good cause factual basis. Accordingly, the motion is denied without prejudice to being submitted with a good cause reason for such a lengthy continuance.

IT IS SO ORDERED.
