

Dear Customer,

At U.S. Bank Voyager Fleet Systems, we strive to provide the highest level of customer service. To support this effort we have developed the U.S. Bank Fleet Commander® Online web-based training (WBT) tool offering training in the latest features and functionality of our online tool. Fleet Commander Online WBT provides new and current users step by step instruction from account maintenance to reporting.

New and current Fleet Commander Online users can register and/or log in as one of three user types to access training content specific to their role, including:

- ★ **Drivers:** to learn how to use their fleet cards
- ★ **Fleet managers:** to learn about the full range of functions in Fleet Commander Online, from account maintenance to reporting
- ★ **Report managers:** to learn how to run reports

WBT Password

To access the Fleet Commander Online WBT, users must register at the site using the passwords listed below. WBT passwords are valid for 60 days.

- ★ Driver: **wheel**
- ★ Fleet Manager: **steer**
- ★ Report Manager: **engine**

Never Used the WBT? Not Sure How to Log On?

For your convenience, the attached PDF contains WBT registration and log-in instructions. The WBT address is <https://wbt.fleetcommanderonline.com>
