Testimonials

“Thank you for your Department’s assistance and the excellent customer service that was extended by Lauren Richardson. In spite of the obstacles that developed, mainly the limited timeframe, the event was very successful and Lauren’s quick actions helped to make it so. I really appreciate her efforts; she was a tremendous joy to work with. Our Division Chief was very pleased with the outcomes and stated so on several occasions. Considering the limited amount of time that CMMP Representative Lauren Richardson had to plan our event, the outcome was truly remarkable. She is a consummate professional, easy to communicate with, and really understands and is attentive to the needs of her client. My only suggestion is that I would love to work with her again.”

- Davi, **CA Employment Development Department, November 2012**

“Thank you to Brenda Lusk for her attention to details, answering all of our questions and for her courtesy towards our partners and venue staff. ..She was very knowledgeable and always ready to assist when we needed help. I hope we have her next year... Thank you Brenda.”

- Joe, **CA Employment Development Department, November 2012**

“...Sandi Hartsock, DGS, did a great job working closely with me, as Program Coordinator for the Deaf and Hard of Hearing Services. ...I am looking forward to working with Sandi Hartsock again for future SB 105 Statewide RCD Training, she was very effective and easy to work with. Everything went very well with our conference, as I was very pleased and satisfied.”

- Jeff, **CA Department of Rehabilitation, October 2012**

“I appreciate the great service I received from Lauren Richardson... She took care of details for the facility and communicated with me about her progress. Her thoroughness of communication gave me confidence that she was working on the problem. This allowed me to concentrate on other aspects of the meeting. I was very pleased with the facility and assistance that Lauren provided.”

- John, **CA Department of Food and Agriculture, June 2012**

“The CMMP staff was absolutely wonderful!”

- Janice, **CA Senior Legislature, June 2012**

“This was our first time planning a conference through DGS – no major catastrophes – everything ran smoothly for the most part. When we did run into a small glitch, Brian was there to quickly resolve the problem. We would be honored to have Brian handle our future conferences.”

- Jon, **CA Department of Aging, May 2012**

"Brenda really went above and beyond in this situation because we had to coordinate the meeting on very short notice and she was just about to get married too! It all pulled together beautifully and the event was a huge success. I wish I worked with more people like Brenda."

- Liz, **CA State Independent Living Council, April 2012**

"Everything was excellent and Brenda did a great job!"

- Hardeep, **CA Office of Statewide Health and Planning Development, March 2012**

"Brenda provided outstanding service to EMHI. As the conference attendance was approximately 900 attendees and included the use of the Sheraton, Hyatt and the Sacramento Convention Center, her service was critical in conducting a very successful conference."

- Paul, **CA Department of Mental Health, October 2011**

"I am very fortunate to have had Lauren Richardson assist me with the 2011 Office Staff Academy. As the project leader for this major event, Lauren helped me every step of the way. She was patient in explaining the process to me and was very clear and concise with her answers to my questions and concerns. With Lauren taking care of the training venue and hotel accommodation logistics, I was able to concentrate on the task at hand, confident in the knowing that Lauren was there. Thanks very much, Lauren."
