LOCAL EDUCATION AGENCY (LEA)

COUNTY

APPLICATION NUMBER (Refer to Board FRP Grant Approval)

60/

GENERAL INSTRUCTIONS - (refer to Title 2, California Code of Regulations, Section 1859.215)

After the SAB has apportioned the Federal Renovation Program (FRP) grant, the Office of Public School Construction (OPSC) will release the amount apportioned as designated below to the appropriate county treasury once the LEA has completed and submitted this Form to the OPSC.

Check the box in Part I, for release of 50 percent of the apportionment. Part IV and V (if applicable) must also be completed.

Check the box in Part II, for release of the remaining 50 percent of the apportionment. The first 50 percent of the apportionment must have been previously released as authorized in Part I.

Check the box in Part III, for 100 percent of the apportionment. Part IV and V (if applicable) must also be completed.

Part I - Release 50 percent of the apportionment:

- The LEA certifies that it has met all of the following criteria for release of 50 percent of the apportionment:
- The final plans for which the apportionment will be used for the project(s) are complete and have been approved by the Division of the State Architect, if required.
 - The final plans and site acquisition (if applicable) for these projects have been approved by the California Department of Education, if required.
 - At least 50 percent of the apportionment has been expended by the LEA.

Part II - Release remaining 50 percent of the apportionment:

- The LEA certifies that the remaining 50 percent of the apportionment has been expended by the LEA.

Part III - Release 100 percent of the apportionment:

- The LEA certifies that it has met all criteria in both Parts I and II above.

Part IV - Check the box that best represents the renovation and repair work that will be completed with the FRP funds (check one only):

- Emergency repairs or renovation to public school facilities to ensure health and safety of students and staff.
- School facility modifications necessary to comply with the Americans with Disabilities Act of 1990.
- School facility modifications necessary to comply with the Rehabilitation Act of 1973.
- Asbestos abatement or removal.
- Other work

Part V - For Impacted LEA's only:

Report the amount of the FRP grant used for new construction. \$ _____

Certification:

I certify, as the LEA Representative, that:

- The grant amount provided by the State, combined with available local funds are sufficient to complete some or all of the project(s) included in the application request; and,
- The LEA has complied with the Public Contract Code regarding the expenditure of funds; and,
- The LEA will maintain all appropriate records to support all LEA certifications and expenditures for all costs associated with the project(s) for a period of not less than four years; and,
- If the renovation and repair work funded with FRP grants is also included in an unfunded School Facility Program (SFP) modernization project, the LEA has withdrawn the SFP modernization project unless it can certify the remaining work in the SFP modernization project meets the 60 percent commensurate requirement specified in Section 1859.220; and,
- If the renovation and repair work funded with FRP grants is also included in an unfunded Deferred Maintenance Program (DMP) critical hardship project, the LEA has withdrawn the DMP critical hardship project; and
- This Form is an exact duplicate (verbatim) of the form provided by the OPSC. In the event a conflict should exist, then the language in the OPSC form will prevail; and,
- I certify under penalty of perjury under the laws of the State of California that the statements in this application and supporting documents are true and correct.
