Curriculum

**Track 3**  
Potpourri

**Track 4**  
USGBC Track

**Track 5**  
Innovative  
Technology

## ZNE Schools Workshop

November 4

12:30 pm – 4:30 pm

School administrators, educators, facilities managers and local government representatives are invited to a Pre-Summit ZNE Schools Workshop on November 4 to learn about the strategies necessary to achieve successful ZNE projects. This special Pre-Summit event is being presented in partnership with the California Public Utilities Commission and the New Buildings Institute.

## Prop 39 and Job Creation

November 6

1:15 pm – 4:15 pm

This special event for community college stakeholders will address the job creation aspects of Prop 39, from guidelines for tracking jobs created by Prop 39-funded projects to strategies and resources for creating on-campus job training programs.
