DIR's CMU monitors compliance unless the school district meets the exceptions.	DIR's Public Works Administration monitors compliance unless the school district meets the exceptions.
SFP Funding	The school district is eligible for an LCP grant.	The school district is eligible for the PWM grant.	The school district is <u>not</u> eligible for the PWM grant if the Contract Award Date is on or after June 20, 2014.
SFP Fund Release Verification Process	The school district must provide copies of DIR's LCP approval letters.	The school district must provide a copy of the following until SFP Regulations are amended to remove this requirement: a) A copy of the PWC-100 b) DIR's confirmation email received upon submittal of the PWC-100	The school district must provide a copy of the following until SFP Regulations are amended to remove this requirement: a) A copy of the PWC-100 b) DIR's confirmation email received upon submittal of the PWC-100

Acronyms:

DIR - Department of Industrial Relations

PWM - Prevailing Wage Monitoring

SFP - School Facility Program

*This chart highlights the effects of Senate Bill 854 on projects that have received School Facility Program funding and does not include locally funded school district public works projects. As of June 20, 2014, the Labor Code requirements of Senate Bill 854 apply to all public works projects even if the school district does not receive State bond funds from Proposition 1A, 47, 55 or 1D.
