AB 16 Workshops:

New Programs and Changes to the School Facility Program

THE STATE ALLOCATION BOARD has adopted regulations implementing the provisions of Assembly Bill (AB) 16 into the School Facility Program.

The Office of Public School Construction will be conducting AB 16 Workshops throughout the State. The goal of the workshops will be to provide information on new programs and changes to the existing School Facility Program.

To learn more about the provisions and changes implemented by Assembly Bill 16, plan on attending one of the workshops listed in this brochure.

The workshops will be facilitated at the following locations.

Please RSVP the Office of Public School Construction at 916.445.3160 for the workshop you wish to attend.
