## DETAIL OF CHANGES

The changes listed in the following pages are to the 2011–12 Governor’s Budget as submitted on January 10, 2011, to the California State Legislature. The changes are referenced to (1) the item number or control section of the Budget Act, (2) the corresponding object of expenditure of the Governor’s Budget, and (3) the corresponding program(s) affected by the changes. Some changes are to expenditures authorized in control sections or in statutes outside the Budget Act. These expenditure changes are assigned an item number and identified as “Non-Budget Act” preceding the item number.

Item numbers carry a fund designation as follows:

- G General Fund
- S Special funds
- N Nongovernmental costs funds
- B Selected bond funds
- F Federal funds
- R Reimbursements

Where dollar changes do not affect the amount of the appropriation, the “Dollar Change in Appropriation” column has a “0.”

Where items were reduced or eliminated by the Governor after legislative changes, the legislative changes are shown with strike-out type to reflect the Governor’s vetoes, and the net change after the Governor’s action is shown below the strike-out type.

The footnote used in this publication is as follows:

ISSUE 102:  
CalWORKs 48-Month Time Limit 0

The Governor's Budget proposed a firm 48-month time limit for CalWORKs and to continue safety net and other child-only grants beyond 48 months for cases meeting federal work participation requirements. The resulting federal TANF savings of \$698.1 million were proposed to be transferred to the California Student Aid Commission to achieve a like amount of General Fund savings in Cal Grants.

The Legislature approved the proposal to reduce the time limit only for adults, effective June 1, 2011, and rejected the other components of the proposal, resulting in additional CalWORKs costs of \$679.7 million and a corresponding decrease of General Fund savings in Cal Grants.

(X-ref Item 7980-101-0001, Issue 004.)

ISSUE 103:  
CalWORKs Grant Reduction 0

The Governor's Budget proposed to reduce CalWORKs grants by 13 percent, effective June 1, 2011, for General Fund savings of \$405 million (achieved by using these federal TANF funds in lieu of General Fund for Cal Grants). The Legislature instead adopted an 8-percent grant reduction, reducing the General Fund savings by \$109 million.

(X-ref Item 7980-101-0001, Issue 004.)

ISSUE 104:  
CalWORKs: Reduction to County Single Allocation 0

The Governor's Budget included a reduction of \$376.9 million to the CalWORKs single allocation for counties. The Legislature reduced the single allocation by an additional \$50 million, partially offset by increased costs of

ISSUE 105:  
CalWORKs Earned Income Disregard -82,919,000

The Legislature modified the CalWORKs earned income disregard from \$225 and 50 percent of earnings to \$112 and 50 percent of earnings, effective June 1, 2011, for General Fund savings of \$92.4 million in 2011-12 (of which \$9.5 million is achieved by using federal TANF funds in lieu of General Fund for Cal Grants).

ISSUE 106:  
CalWORKs Substance Abuse and Mental Health Services 0

The Legislature reduced funding for CalWORKs substance abuse and mental health services by \$5 million on a one-time basis. These federal TANF savings are subsequently transferred to the California Student Aid Commission to provide a like amount of General Fund savings in Cal Grants.

(X-ref Item 7980-101-0001, Issue 004.)

ISSUE 107:  
CalWORKs Grant Reduction: Cases Without Aided Adults -93,857,000

The Legislature adopted an additional grant reduction (up to 15 percent) for all cases without an aided adult based on the number of aided months beyond 60 months. This reduction does not apply

Reduce funding by \$44.8 million to reflect the elimination of case management services for the Cal Learn program. These federal TANF savings are subsequently transferred to the California Student Aid Commission to provide a like amount of General Fund savings in Cal Grants. This is a one-time reduction.  
(X-ref Item 7980-101-0001, Issue 004.)

ISSUE 109:  
Redirect TANF Funds from Community Challenge Grants to Cal Grants 0

Redirect \$20 million federal TANF funds for Community Challenge Grants (reimbursements to the Department of Public Health) and instead transfer these funds to the California Student Aid Commission to offset a like amount of General Fund costs in Cal Grants.

8, Statutes of 2011 (SB 72). These \*

These savings, initially included \*

The Legislature rescinded various subsidized child care reductions and the incremental grant reduction for child-only cases within CalWORKs that were enacted in March 2011.
