This section will answer the following questions:

- ✓ What is Web StoreFront?
- ✓ How do I become a registered user?
- ✓ Where do I go to access StoreFront?

What is Web StoreFront?

Web StoreFront (WSF) is an online website where you can order California WIC products such as brochures, posters, forms, DVDs and related items for your WIC Sites. You may not order materials to be delivered to non-WIC Sites.

You can:

- Browse and search through a catalog of products.
- Place your order using online checkout process.
- Check your order history at any time.

How do I become a registered user?

Before you may access WSF, your WIC director must submit a “Web StoreFront Access and Update” form to the State WIC office. This form will be used to set up an account for you as a registered user who is authorized to order materials for your WIC Local Agency. Questions regarding this form, including how to obtain a copy, can be directed to the State WIC office at (916) 928-8611 or CDPH_CPMU@cdph.ca.gov.

The State WIC office will register you with the following information: first and last name, Local Agency name, Local Agency and Site numbers, shipping address, phone number, email address and information for any additional Sites for which you order. Each Site may have no more than 2 registered users who will order materials. Once registered, you will receive an email notification from the WSF Administrator with your User Name and a temporary Password.

The screenshot shows a confirmation message from the California WIC online ordering system. At the top left is the California WIC logo with the tagline 'WOMEN, INFANTS & CHILDREN' and 'ensuring your family's health'. To the right is a photograph of a smiling woman and a baby. The main text reads: 'California WIC online ordering system!', 'You have been successfully registered with California WIC online ordering system!', 'Your User ID is [CustomerUserName]', 'Your temporary password is !Password1', and 'Click the Link below to log onto the site.' followed by the URL <https://www.webstore.osp.dqs.ca.gov/WSFdir/companies/WIC/storefront.aspx>.

Where do I go to access Web StoreFront?

You can access WSF from a web browser (such as Internet Explorer, Mozilla Firefox, Safari, Google Chrome or Opera) on your computer.

To access the site:

- Connect to the Internet.
- Enter the URL or web address for the site in the address field at the top of the browser window or click on the hyperlink in the email. The address is:
<https://www.webstore.osp.dgs.ca.gov/WSFdir/storefront.aspx?6xni2of2cF0n+PO8WNID2/vr/XtjvJ5WW25VJnuU/fTnROB/pD6fKJmcmQZTwDUB>
- Press “Enter” on your keyboard or click “Go” in your browser. You will be directed to the WSF Login screen.

Once logged in, you will see the Order Confirmation screen, which will show you whether your order has been approved or rejected.

If approved, you should receive your order within a few business days.

This screenshot shows an 'Order Confirmation' page with a yellow background. In the top right corner, there are two buttons: 'Print this page' and 'Continue Shopping'. The main heading is 'Order Confirmation'. Below it, the order details are listed: Order Number: 425, Expected Completion Date: 5/28/2014 12:00:00 PM PDT, Submitted on: 5/2/2014 1:36:11 PM PDT, and Submitted by: WIC USER, Tel: 916 445-4854. If rejected, a reason for the rejection will be given. You can click on Order Again to return to your Shopping Cart and make the necessary revisions to your order. From there, you may complete your order again by clicking Checkout.

This screenshot shows an 'Order Confirmation' page with a yellow background. In the top right corner, there are three buttons: 'Print this page', 'Continue Shopping', and 'Order Again'. How do I place another order?

There are two ways to place another order.

The first way is to start at the Home Page and follow the procedures earlier in this section.

The second way is to use the Reorder button from the My Order History screen. You may find this shortcut useful if you place orders for the same items often or you want to use it as a basis for another order.

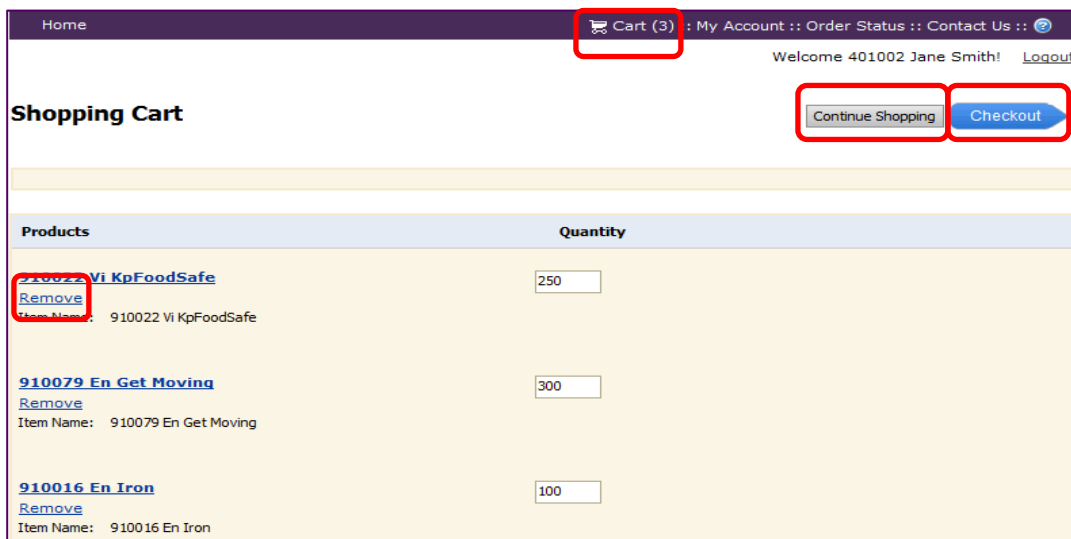

NOTE: Click the Reorder button only once! Be patient while the WSF system completes the action. If you already have items in your Cart when you click the Reorder button (as displayed above), all existing and reordered items will be combined in your Cart (see example below).

Shopping Cart:

The reordered items will be added to any items already in your Cart. For example, if you have already placed two items in your Cart and then reorder an item from the My Order History screen, WSF will keep all three items in your Cart until you checkout.

- You can remove any item by clicking [Remove](#).
- If you want to continue shopping, click Continue Shopping. This will return you to the Home Page where you can find items and add them individually to your Cart.
- If you have completed your shopping, click Checkout.

Section 4: Ordering for More Than One Site

This section will answer the following question:

- ✓ How do I order for more than one Site?

How do I order for more than one Site?

There are two ways to order and ship items to more than one WIC Site.

1. Follow the process in Section 3 to order for a second WIC Site. When you get to the Shopping Cart screen, you can use the Address Book button to change Recipient #1 (Detailed on page 32).
2. Compile all orders together into one master order, and place the master order by following the process in Section 3 (Detailed on page 32). When you go to the Shopping Cart you will use the Add Another Recipient button (Detailed on page 34).

CAUTION: We do not recommend using this process for more than two Sites.

The screenshot displays the 'Shopping Cart' page. At the top right, there are buttons for 'Continue Shopping' and 'Checkout'. Below this is a table of products with columns for 'Products' and 'Quantity'. Three items are listed: '910065 ES Shop Guide' (quantity 25), '910004 Sp Time4Cup' (quantity 1000), and '920070 En Vitamin C' (quantity 5000). Each item has a 'Remove' link and an 'Item Name' field. Below the product list is a 'Recipients' section. It features an 'Add Another Recipient' button and a form for 'Recipient #1'. The form includes an 'Address Book' button and a 'Please enter recipient information below.' section with fields for First Name, Last Name, Company, Phone Number, and Email Address. To the right of these fields are fields for Address, City, State, Zip/Postal Code, and Country. Further right are dropdown menus for 'Method' (set to 'Golden State') and 'Delivery Instructions'. A 'Save to My Address Book' checkbox is located at the bottom of the form. Red callout boxes with numbers 1 and 2 are present: box 1 points to the 'Address Book' button, and box 2 points to the 'Add Another Recipient' button.

How do I order for more than one Site? – continued

Using the Address Book to change Recipient #1:

As mentioned previously, Recipient #1 is populated with the registered user’s information by default. In order to have materials shipped to another preapproved WIC Site, you will need to change Recipient #1 by selecting a name from the Address Book.

The Address Book contains shipping information for all preapproved WIC Sites that receive shipments from the OSP warehouse. The information includes:

- Name (six-digit Agency and Site numbers, and first and last name of the contact person)
- Phone number
- Email address
- Shipping address is also included, but not visible on the Address Book pop-up

NOTE: Do not make changes to the information contained in the Address Book without preapproval from State WIC. You must submit a “Web StoreFront Access and Update” form to CDPH_WICStoreFront@cdph.ca.gov. If the correct naming convention is not used, your order will be rejected.

The Address Book is very long because it includes User and Site information for all 84 WIC Local Agencies. To make selecting the correct recipient information easier, you can use one of three search features.

1. The easiest and most accurate way to search for your preapproved Sites is to use the search bar in the upper right corner. Enter your three-digit Agency number, and click on the magnifying glass. If you search for a number that does not exist in the address book, you will get the error message: “No contacts found to satisfy your search criteria.”
2. Use the dropdown next to Show to view All, 5, 10, or 15 names at a time.
3. If you are not in the Show All option mentioned above, you can use the <Prev 1 2 3 4 5 Next> button. When you click on one of the options, the address will jump to the top of your computer screen and you will have to scroll up to view it.

Use the Add Another Recipient button only for master orders. A master order is when you combine the items and quantities from two or more preapproved Sites into one order. You will follow the process in Section 3 for the one master order and save all items in your Shopping Cart. When all items are in the Cart, you can use the Add Another Recipient button to split the order and have items shipped to two or more Sites.

CAUTION: *We do not recommend using this process for more than two Sites because this is a confusing and difficult process.*

The Recipient Quantity will change as you start separating the master order.

How do I order for more than one Site? – continued

You must split the master order between Recipient #1 and Recipient #2. Adjust the quantity for each recipient according to your needs. For example, Recipient #1 wanted 200 handouts and Recipient #2 wanted 100 handouts, for a total Specified Quantity of 300.

Step 1: Click on the dropdown for Recipient #1, and select 200. The Recipient Quantity is now 200 and does not match the Specified Quantity.
