6. PROBLEM RESOLUTION

The first step in problem resolution is to call the contractor(s) directly. Ordering agencies with unresolved issues after five (5) working days should notify the State's contract administrator for resolution. Agency must submit a completed Contractor Performance Report to the contract administrator within 5 days.

7. PURCHASE EXECUTION

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

A. State departments must use the Purchasing Authority Purchase Order (Std. 65). An electronic version of the Std. 65 is available at the Office of State Publishing web site: <http://www.dgs.ca.gov/osp> (select Standard Forms).

B. All State agencies will submit executed purchase order(s) documents to:

DGS/Procurement Division (IMS# Z-1)
Attn: Data Entry Unit, Second Floor, MS 203
707 Third Street, 2nd Floor North
West Sacramento, CA 95605-2811

8. ORDERING PROCEDURE:

State departments must submit a Purchasing Authority Purchase Order (Std. 65) directly to the contractor. Agency billing code numbers are required for placement of *all* orders.

There are three ordering methods available on this contract:

- U.S. Mail
- Facsimile
- Email

When using any of the three ordering methods, all State departments must conform to proper State procedures.

Contractor Ordering Information

The ordering information for each contractor is listed in #5, Contract Administrator section above.

The contractor must receive agency Purchasing Authority Purchase Order (STD 65) and the delivery schedule 15 days prior to the requested first date of the delivery schedule. The Contractor will then confirm with the Institution its' desired delivery schedule. All deliveries are to be made according to the requested delivery schedule or preferred one-time delivery.

The contractor shall reject Agency's Purchasing Authority Purchase Order (STD 65), which fails to comply with the terms of the above paragraph.

Such rejected Purchasing Authority Purchase Order (STD 65) may be re-submitted for delivery the following month.

Orders can be submitted up to the final day of expiration; however, your company will still be responsible for the deliveries on this contract up to thirty (30) days past the expiration date of the contract.

9. ORDER LIMITS

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

The minimum order per institution is on the attached cost sheets, per institution. Orders for less than the minimum order shall be considered non-contract and may be purchased from other sources.

10. ORDER ACKNOWLEDGEMENT

The contractor will provide the ordering agencies with an order receipt acknowledgement containing a unique order number either via e-mail or facsimile within 48 hours of receipt of order.

The acknowledgement will include:

- Ordering Agency Name
- Purchase Order Number
- Total Cost
- Delivery Date

11. DELIVERY INSTRUCTIONS

It shall be the contractor's responsibility to obtain proper clearance for delivery drivers prior to any and all deliveries throughout the California State Prison system. The contractor must contact the individual agency for specific clearance procedures, as these procedures may vary from facility to facility.

12. DELIVERY TIMELINES

This contract will be separate from any other contract. Deliveries required from this contract shall NOT be withheld due to the unavailability of goods for delivery under any other contract. Failure to deliver goods in strict conformance with the terms and conditions of this contract will incur default action as provided for under Section 26 of the General Provisions. This includes timeliness of deliveries and quality levels of items received.

NOTE: Holding orders for full truckloads is not acceptable. If your company is found doing so, without authorization from the institution(s) being delivered to, your company can be found in default of the contract.

13. CONTRACTOR REPORTING REQUIREMENTS

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

The supplier is required to submit a detailed usage report every three (3) months commencing from the date of award to the Procurement Division, Food Acquisitions Unit. A sample of this report is attached. These reports will be due on the 5th day of the month report is due. The report must be done in an Excel spreadsheet, and submitted to the contract administrator by disk or by email. This report must be done per order, per commodity, per institution. This report is to include:

1. Agency Name
2. Purchase Order Number
3. Purchase Order Date
4. Agency Billing Code
5. Line Item Number & Description
6. Quantity Ordered
7. Contract Cost Per Unit
8. Total Cost Line Item

Invoice copies or list of purchase orders will not fulfill this requirement.

14. FREIGHT ON BOARD (F.O.B.) DESTINATION

All prices are F.O.B. destination; freight prepaid by the contractor, to the ordering organization's receiving point. Responsibility and liability for loss or damage for all orders will remain with the contractor until final inspection and acceptance, when all responsibility will pass to the ordering organization, except the responsibility for latent defects, fraud, and the warranty obligations.

17. EMERGENCY/EXPEDITED ORDERS

If there is an emergency order, the contractor has the right to accept shorter delivery times, which will be subject to LESS-THAN-TRUCKLOAD (LTL) freight rates.

Contractor shall notify the ordering agency upon receipt of the order that such higher freight rates are forthcoming. Such notification shall be by telephone and confirmed in writing within 24 hours of receipt of any late order against this contract.

In addition to normal delivery schedules in all other California counties, the contractor is requested to make deliveries, during off-peak hours, only in these areas: Los Angeles County, Orange County, San Bernardino-Metropolitan area, and the San Diego-Metropolitan area. Off peak hours are 10:00 am to 4:00 pm.

18. SHIPPED ORDERS

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

Unless otherwise specified, preservation, packaging and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., shall conform to normal commercial practices and applicable carrier rules and regulations involving shipment from the contractor to the receiving activity for storage. Packaging shall be in compliance with National Motor freight Classification and Uniform Freight Classification (please reference www.nmfta.org for information) (issue in effect at time of shipment).

Foil, Mylar and any material that may present a security or safety risk are not acceptable packaging materials.

Each shipping case or shipping unit shall clearly indicate the manufacturer or contractor, a complete description including size and quantity, manufacturer's product code number (if applicable) and net weight.

All shipments must comply with General Provisions; Paragraph 12 entitled "Packing and Shipment". The General Provisions are available at:
<http://www.documents.dgs.ca.gov/pd/modellang/GPIT0407.pdf>.

19. PALLETIZATION

All pallets employed in the delivery of goods shall be of sturdy construction and adequate condition to assure delivery of the goods without damage to the goods or safety hazards.

Exchange pallets may be available; however, the State assumes no responsibility for the availability to exchange pallets. Delivery drivers shall not remove more pallets from the institutions than delivering at time of delivery.

20. QUALITY ASSURANCE

All products ordered shall be delivered under acceptable standard sanitary conditions and must be in the correct quantity and free of damage.

The contractor shall provide recall notification, regardless of level, in writing to the State and each institution through the most expedient method possible. The notices, at a minimum, shall include a complete product description and/or identification, contract number, delivery order number and disposition instructions. The contractor shall issue replacement of product or credit for any product removed or recalled. Each facility shall have the option of accepting either replacement product or credit in exchange for recalled/removed products.

21. INVOICING REQUIREMENTS

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

Ordering Agencies may require separate invoicing, as specified by each ordering organization. Invoices will contain the following information:

- Contractor's name, address and telephone number
- State's contract number
- Agency purchase order number
- Item and commodity code number
- Quantity purchased
- Contract price and extension
- State sales and/or use tax
- Prompt payment discounts/cash discounts, if applicable
- Totals for each order

The contractor shall render invoices as instructed on individual orders. Invoices shall include the order number, the contract number, the item number, the description, the unit price, the extension, and the terms for payment.

For a sample copy of this report, please contact the State Contract Administrator listed on page 3 of this notification.

22. SPECIFICATIONS

The offered products must be in accordance with the attached bid specifications:

- **8920-08BS-001 dated January 29, 2008**
- **8920-08BS-002 dated January 29, 2008**

All items furnished shall be latest pack on date of shipment and shall be first quality when grade is not specified.

23. RACKS – “PLASTIC RACKS ONLY”

METAL RACKS ARE NOT ACCEPTABLE. All bread racks MUST be made out of a SAFE HANDLING PLASTIC MATERIAL ONLY. All trays MUST have four sides with two of the sides having handle cutouts. All trays MUST be uniform in size, shape, and in accordance to industry standard for these stacking-tray, four-wheeled dolly system.

24. UNACCEPTABLE PRACTICES

Providing promotional matter to Institutions is strictly forbidden. Baseball trading cards, coupons, discount certifications, games, toys or any other such items SHALL NOT be delivered to an institution.

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

Deliveries to Institutions, which contain such items, SHALL be subject to rejections. In the event of rejections, replacement SHALL be done the same day. If the supplier fails to replace the rejected product the same day, the product may be purchased from an alternate source with any increase cost to the State chargeable to the supplier.

25. PRESERVATION, PACKAGING AND PACKING

Unless otherwise specified, preservation, packaging and packing shall be to a degree of protection to preclude damage to containers and/or contents thereof under normal shipping conditions, handling, etc., shall conform to normal commercial practices and applicable carrier rules and regulations involving shipment from the Contractor to the receiving activity for storage. Shipping containers shall be in compliance with National Motor freight Classification and Uniform Freight Classification (issue in effect at time of shipment).

Foil, Mylar and any material that may present a security or safety risk are not acceptable packaging materials.

26. PAYMENT

Payment terms for this contract are as follows:

Contractor	Terms
Seacat Enterprises	Net 45
Franz Family Bakeries	Net 45
Holsum Bakery	Net 45
IBC Sales Corpotation (Interstate)	Net 45
Earthgrains Baking Company (Fresno, South)	Net 45
Earthgrains Baking Company (Sacramento, North)	Net 45

Payment will be made in accordance with the provisions of the California Prompt Payment Act, Government Code Section 927 etc. seq. Unless expressly exempted by statute, the Act requires State departments to pay properly submitted, undisputed invoices not more than thirty (30) days after the date of acceptance of goods, performance of services, or receipt of an undisputed invoice, whichever is later.

27. PRICES

Prices will be **firm fixed** for the duration of the contract.

28. 30-DAY TERMINATION

The State may terminate this contract for convenience upon thirty (30) days written notice. Upon termination or other expiration of this contract, each party will assist the other party in an orderly termination of the contract, as to facilitate the orderly, non-disrupted business continuation of each party.

29. QUANTITY

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

Quantities shown for each line item are estimated and are the anticipated purchasing pattern. Actual purchases may vary from this pattern. The State will not be obligated to purchase contractors' excess inventory of any line item if actual purchases vary from the anticipated purchasing pattern. The State may purchase these items from other than the Contractor in the event of an emergency.

30. CONTRACT DOLLAR VALUE

If the contract dollar value plus 40% is expended before the expiration date, the contractor shall notify the contract administrator. Such notification shall be in writing, submitted as soon as the contractor becomes aware of the overage, and include a statement of intention to either continue or terminate the contract. The contractor may continue to accept orders until the State returns a written decision of the disposition of the contract. The contract may be terminated by either party or, by mutual agreement, be allowed to continue until the expiration date or such other date mutually agreed upon. An extension to this contract, will zero quantities with respect to the dollar value plus 40% mentioned above. The Contractor shall refuse to accept any orders after a date set for termination, and the state may disclaim liability for any purchases made after such date.

The total dollar value of this contract is subject to a variance. If the expiration date occurs before the contract dollar value less than 20% is expended, the contract may be extended, with the Contractor's agreement, until the minimum dollar value is reached.

The State shall be excused from purchasing the minimum contract quantities to the extent that such reduced requirements are caused by closure of State facilities, cancellation, or reduction of State programs or lack of appropriations.

31. MODIFICATION OF CONTRACT

Delivery sites may be added or deleted as deemed necessary by DGS' Procurement Division.

This contract may be modified in whole or in part upon mutual agreement of both parties. Such modifications shall be in writing, signed and dated by an authorized representative of each party.

32. EMERGENCY EXTENSION OPTION

In the event of an emergency, the State upon mutual agreement with the contractor may extend the contract for up to one (1) additional year beyond the stated term and any noted extensions. Extensions during this period may occur in various increments until the establishment of a new contract (the total of the Emergency extension(s) terms shall not exceed one (1) additional year). All original Terms and Conditions shall remain the same during the extensions. Emergency Extension option may be exercised in the event that a replacement contract cannot be established due to the protest of an Intent to Award, loss of key State procurement staff, or other circumstance that would otherwise cause an unanticipated disruption in the State contracting process.

33. PAYEE DATA RECORD

Contract (Mandatory) 1-08-89-50
Contract Notification and User Guide

Each State accounting office must have a copy of the Payee Data Record (Std. 204) in order to process payments. Agencies should forward a copy of the Std. 204 to their accounting office(s). Without the Std. 204, payment may be unnecessarily delayed. Copies of the awardees Payee Data Records are on file. Should you need a copy, please contact the contract administrator for this contract.

Bid Specification

8920-08BS-001

Bread, Fresh

1.0 SCOPE:

This bid specification establishes requirements for fresh bread packed in commercially acceptable containers for use by State of California Institutions.

2.0 REGULATORY REQUIREMENTS

- 2.1 The product shall comply with all applicable Federal, State, and local mandatory requirements and regulations relating to the preparation, packaging, labeling, storage, distribution, and sale of the fresh bread within the commercial marketplace.
- 2.2 The product shall comply with all applicable provisions of the Federal Food, Drug, and Cosmetic Act and regulations promulgated thereunder.
- 2.3 The product shall be prepared in accordance with the 21 CFR §110, Current Good Manufacturing Practice in Manufacturing, Packing, or Holding Human Food.

3.0 SALIENT CHARACTERISTICS

- 3.1 The fresh bread shall consist of Flour (21 CFR 137.105), water, salt, yeast, emulsifiers or other stabilizers, and other ingredients appropriate for the type of bread specified.
- 3.2 The fresh bread shall include mold inhibitors of proper levels as allowed by the Federal Food, Drug and Cosmetic Act.
- 3.3 When the bread is enriched, the wheat flour used for the bread shall conform to the U.S. Standards of Identity for Enriched Flour (21 CFR 137.165) and shall be milled from a variety of hard and/or soft wheat.

4.0 TYPES

The fresh bread shall conform to the following types:

- Type I - Bread, white, enriched, pan baked, round top or sandwich, sliced**
The product shall be prepared from enriched hard wheat flour, water, salt, yeast, and optional ingredients, if desired, and baked as individual loaves in rectangular pans.
- Type II - Bread, whole wheat, pan baked, round top or sandwich, sliced**
The product shall be prepared from whole wheat flour, water, salt, yeast and optional ingredients such as gluten, if desired. No flour other than whole wheat flour may be used.
- Type III - Bread, wheat, pan baked, round top or sandwich, sliced**
The product shall be prepared from a combination of hard wheat flour, whole wheat flour, water, salt, yeast, and optional ingredients, if desired.
The farinaceous ingredients shall contain 25 - 50 percent whole wheat flour.
- Type IV - Bread, raisin, pan baked, round top or sandwich, sliced**
The product shall be prepared from hard wheat flour or a combination of hard wheat flour and whole wheat flour, water, salt, yeast, raisins and optional ingredients such as sugar and shortening, if desired.
- Type V - Bread, rye, pan baked, round top or sandwich, sliced**

The product shall be prepared from hard wheat flour, rye flour, water, salt, yeast, shortening, sugar, and if desired, optional ingredients. The farinaceous ingredients shall contain 20 - 40 percent rye flour.

Type VI - Bread, white, French, hearth baked, unsliced

The product shall be prepared from hard wheat flour, water, salt, yeast, and optional ingredients such as shortening and sugar may be included, if desired, and baked under the accepted conditions for a hearth baked product.

5.0 FINISHED PRODUCT

- 5.1 Each loaf shall have a firm, tender, uniformly brown colored crust characteristic of the product (except Type VI bread which shall have a firm, crisp crust), be of typical volume, have characteristic grain and texture, be evenly baked, (without evidence of scorching or burning).
- 5.2 Each loaf shall have a flavor and aroma characteristic of the particular product specified.
- 5.3 The baked product shall not contain specks of flour on the bottom of the bread. The total solids content of each type of bread shall be in accordance with the Standards of Identity for baked products.
- 5.4 Enrichment ingredients shall be evenly distributed in the finished product.
- 5.5 The delivered product shall not be crushed or damaged.
- 5.6 All ingredients shall be clean, sound, wholesome, and free from evidence of rodent or insect infestation.
- 5.7 The bread shall not be more than 24 hours old upon arrival at receiving point, except following regularly scheduled non-bake days, bread shall be delivered within 48 hours after baking.
- 5.8 The bread shall have a shelf life of 10-days from the date of baking when stored at room temperature (68-77°F).
- 5.9 The bread shall be standard commercial product, sliced or un-sliced and of the type specified.
- 5.10 Loaf bread shall be either standard loaf weighing a minimum of 16 oz. net avoirdupois or standard large loaf with a minimum net weight of 24 oz. avoirdupois.
- 5.11 All breads shall be baked in loaves that have substantially uniform cross section. Tapered ends and round loaves are not acceptable.

6.0 PREPARATION FOR DELIVERY

6.1 Packaging

Commercial packaging in moisture-vapor resistant waxed paper, re-generated cellulose film or plastic film are acceptable. The product shall be so packaged that protection from dirt, filth, or other contamination is ensured.

6.2 Labeling

Commercial labeling will be acceptable provided that the date or day of baking and packaging shall be shown conspicuously in an easily discernable location in addition to any information required by Federal or State law.

Alternatively, the vendor's code reflecting actual date of processing is acceptable provided the vendor's code is made available to the receiving agency prior to delivery.
