**RE: Expiration of Public Pay Phone Master Service Agreement (MSA) 5-06-58-01  
(Pacific Telemanagement Services)**

---

This broadcast announces the expiration of Public Pay Phone MSA 5-06-58-01 (Pacific Telemanagement Services) on April 30, 2011. Further, the State of California Department of General Services (DGS) will not be rebidding this MSA.

**Important Note:**

Although DGS is discontinuing the Public Pay Phone MSA once expired, departments still have the ability to receive services until April 30, 2012, as long as the organization executes a new one-year contract with Pacific Telemanagement Services (contractor) prior to the MSA's expiration date of April 30, 2011. This is based on RFP MSA 54156 Section I.C provision which states:

*The term of the resulting MSA or "contract" will be three (3) years in duration, with the option to extend the term for two additional one-year terms, at the State's option. All release orders (contracts) issued against this MSA must be completed within twelve (12) months following the expiration of this MSA contract term.*
