**RE: Invitation for State Government Agencies to Exhibit at the Eighth Annual
CalCon Expo 2013-August 22, 2013**

You are invited to exhibit at the Eight Annual CalCon Expo 2013. The State of California will host the California Construction Expo in partnership with the Metropolitan Water District of Southern California, Metro, Los Angeles World Airports and the Port of Long Beach. The Department of General Services (DGS) is currently looking for State departments who are interested in exhibiting at this event.

CalCon Expo 2013 is the premiere gathering for contractors, designers, construction professionals, suppliers, and construction workers. Over 3,000 will attend this event. It is imperative that state agencies are represented, not only because Executive Order S-02-06 requires it, but because we have an obligation to support, educate, and promote the Small Business/Disabled Veteran Business Enterprise community in California as well as promote more contracting participation and economic growth.

Your exhibit fee will be **FREE** and space is limited to the first 5 to 10 State departments who register to exhibit.

DGS understands the reduction in our state budget has limited travel. We encourage those departments who are interested in exhibiting to attend on August 22, 2013. Please send LA-based staff, if possible. Your participation is critical to the success of this event.
