**RE: Mandatory Statewide Contract # 1-07-84-07 for Ballistic and Stab/Spike  
Body Armor – Expires April 9, 2010**

---

This broadcast is a reminder that the statewide contract for Ballistic and Stab/Spike body armor (Contract 1-07-84-07) will expire on April 9, 2010 and will not be extended past this date.

There will be no statewide contract in place for Ballistic and Stab Body Armor between April 10, 2010 and the start of a new contract. In the absence of a statewide contract all purchases for Ballistic and Stab/Spike body armor must be processed by the Department of General Services, Procurement Division (DGS/PD) in accordance with Penal Code 12368.

As of April 10, 2010, State departments must submit a Purchase Estimate (Std. 66) for all Ballistic and Stab/Spike body armor purchases to:

Department of General Services  
Procurement Division  
Attn: Julie Matthews  
707 Third Street, 2<sup>nd</sup> Floor, MS 201  
West Sacramento, CA 95605

Currently, the DGS/PD is evaluating a new Request for Proposal for Ballistic and Stab/Spike body armor. We understand that it is critical to get a new contract in place and are diligently working toward completing this process. However, it is anticipated that the new contract will be awarded in May 2010.

Note: Contract 1-08-84-06 for Combination (Ballistic/Stab) body armor will remain available until a new contract is awarded.
