**RE: Invitation for State Government Agencies to Exhibit at the Seventh Annual
CalCon Expo 2012-August 2, 2012**

The State of California Department of General Services (DGS) will host the seventh annual California Construction (CalCon) Expo 2012 in partnership with the Metropolitan Water District of Southern California, Los Angeles Unified School District, Los Angeles World Airports, the Port of Long Beach, Merriwether and Williams Insurance Services, and Diana Ho Consulting Group. The DGS is looking for State departments who are interested in exhibiting at this event.

CalCon Expo 2012 is the premiere gathering for contractors, designers, construction professionals, suppliers, and construction workers. Over 3,000 will attend this event. It is vital that state agencies are represented to fulfill our collective role in supporting, educating, and promoting the Small Business and Disabled Veteran Business Enterprise community in California as well as promote more contracting participation and economic growth.

Your exhibit space will be **FREE** but is limited to the first 5 to 10 departments who sign up.

When: Thursday, August 2, 2012

Where: Pasadena Convention Center
300 E. Green Street
Pasadena, CA 91101-2399

Time: 07:30am – 4:00pm

DGS understands the reduction in our state budget has limited travel. We encourage those departments who are interested in exhibiting to attend to send Los Angeles based staff if possible. Your participation is critical to the success of this event.
