RE: Department Survey for Rainwear and other Weather Resistant Outerwear

The Department of General Services, Procurement Division (DGS/PD) is providing the opportunity for State departments to participate in a survey that will assist the DGS/PD in meeting departments' needs. The purpose of the survey is to determine the users and the issues related to the procurement of Rainwear and other Weather Resistant Outerwear.

The DGS/PD requests that PACs distribute the survey to the appropriate department subject matter experts who may be able to provide comments and/or suggestions to ensure that contract requirements will continue to meet departments' needs.
