RE: Mandatory Statewide Contract for Plastic Bags

The mandatory statewide contract for Plastic Bags expired on 4/25/2012 and was exclusively for the Department of Transportation. The Department of General Services, Procurement Division (DGS/PD) would like State buyers to take the time and complete the attached survey which will provide DGS/PD necessary information to better assist the departments with their business needs.

Please submit your completed survey to DGS/PD contact as identified within the survey by Friday, January 4, 2013.

The survey can be found at the following link:
