

State of California  
IT General Provisions (GSPD 401IT)

- The attached document highlights “unless otherwise specified in the Statement of Work” and is the only area in which modification to the language can occur.
- This is also known as a “carve out”.
- The department/agency intends to use the provided language in the applicable section, although it has the ability, with Department of General Services concurrence, to modify the language.
- Occurrence of “Statement of Work” is highlighted in yellow.
