<u>Total Value:</u>						<u>1,083,615.10</u>
 <u>FOR THE PURPOSE OF THIS AWARD</u>						
Only F.O.B. Destination will be accepted.						
 <u>DELIVERY</u>						
All radios shall be delivered to the following address:						
California Highway Patrol Office of Air Operations 860 Stillwater Road West Sacramento, Ca 95605 Attn: Sgt. Dick Rushton						
The TDFM 7000 radios will be shipped in the combined output mode. The radio shall be wired to the aircraft audio system in the 'Law 1' position of the audio controllers.						
 <u>TESTING AND ACCEPTANCE</u>						
One radio, model (7094NVC), shall be delivered to the West Sacramento address above to be tested. Production or delivery of any additional radios shall not begin until the test model has been accepted.						
 <u>INSTALLATION</u>						
Once the radios are received they will be distributed to the project areas for programming prior to installation.						
Installation shall be done by an authorized technician at the locations stated in the line items. The installation schedule shall be mutually agreed upon but must commence within 60 days of this date and must be in accordance with all Federal Aviation Administration (FAA), Federal Communications Commission (FCC) and manufacturer's requirements.						
Aircraft will be flown to the installation facility and each radio shall be installed within 5 business days. All installations will be coordinated with the Aviation Maintenance Supervisor at the California Highway Patrol, Office of Air Operations.						
Installation technician that is able to travel to each installation site and provide all required tools. Air compressors are available at most sites, however, the technician may be required to provide their own compressor at one or more site locations. Installation shall include all antennas, cables, wire, hardware and labor. Each installation site will provide hanger space and 110 volt power.

PURCHASE ORDER CONTINUATION

Form GSOF 2-PIN (04/98)

<i>Purchase Order No.</i> 62094	<i>Revision</i>	<i>Date</i> 6/30/2008	<i>Supplier No.</i> 811377	<i>Supplier Name</i> APR AVIATION
---	-----------------	--------------------------	-------------------------------	--------------------------------------

<i>Item No.</i>	<i>Quantity</i>	<i>Unit</i>	<i>Commodity Code</i>	<i>Description</i>	<i>Unit Price</i>	<i>Extension</i>
-----------------	-----------------	-------------	-----------------------	--------------------	-------------------	------------------

WIRING AND LOCATION DIAGRAMS

Three (3) sets of wiring and location diagrams shall be provided for all installations or modifications made to the aircraft. In the course of any modification, repair, or installation, the contractor shall mark at two (2) foot intervals, all wiring, wiring harnesses, and connector ports for future identification.

TECHNICAL ADVICE

Technical advice may be obtained from the Contractor, appropriate manufacturer or other designated representative.

ELECTRICAL AND MECHANICAL EQUIPMENT

All electrical and mechanical equipment furnished shall comply with the California Administrative Code; Title 8 (Industrial Safety Orders), Title 24 (State Building Standards Law) and Title 17 (Public Health). All electrical equipment furnished shall be grounded, with any exceptions only as approved in the referenced applicable titles.

FEDERAL AVIATION REGULATIONS

The vendor shall comply with Federal Aviation Regulation (FAR) 43.9 as it relates to logbook entries. Although the Department operates under FAR Part 91 guidelines, the Department requires logbook entries to comply with FAR 43.9. The logbook entry shall be made on an adhesive label and securely attached to the logbook page, or the vendor shall ink an entry in the logbook. The attachment of the work order to the logbook and/or an entry to "see work order for details," shall not be sufficient.

WARRANTY

Warranty for the installation and the equipment shall be for two (2) years after the installation has been completed and the aircraft enters service.

INCREASE QUANTITY

The State reserves the right to increase quantity by 25% within 90 days of Purchase Order date.

SALES TAX

Sales tax was not included in the bid pricing and is not part of this award. Sales tax should be added at time of invoicing. The sales tax rate applied should be based on the rate of the area the product is to be delivered to.

CHANGE ORDERS

This Purchase Order may be amended, modified, or terminated at any time by mutual agreement of the parties in writing. Change orders amending, modifying or terminating the Purchase Order, including any modifications of the compensation payable, may be issued only by the State Procurement Officer. All such change orders shall be in writing and issued only upon written concurrence of the supplier. Termination, as that term is used in this section, does not include the following provisions as stated in the General Provisions (GSPD-401 Non-IT Commodities, Revised and Effective 4/12/2007): Page 3 - Section 22: Termination for Non-Appropriation of Funds, Page 3 - Section 23: Termination for the Convenience of the State, and Page 3 - Section 24: Termination for Default.
