ASSEMBLY BILL 384 -- TOBACCO USE PROHIBITION

Assembly Bill (AB) 384 was signed into law by Governor Arnold Schwarzenegger and takes effect on July 1, 2005. As you may know, AB 384 bans the use of tobacco products (i.e., cigarettes, cigars, snuff, and chewing tobacco) by all staff, visitors, inmates, and all persons on the grounds of any institution. The only time tobacco use is permitted is during Department approved religious ceremonies and in residential staff housing where inmates are not present.

The importance of AB 384 is to promote a more healthful and productive work environment for employees and to reduce tobacco-related health care costs for inmates. At the same time, it is recognized that this will pose a considerable challenge for those who smoke or use other tobacco products. Accordingly, resources are provided below for staff to pursue while off duty if they choose to quit using tobacco products:
