

Summary of Statutory and Policy Requirements for State Contracts - May 2001

SUMMARY OF STATUTORY AND POLICY REQUIREMENTS FOR STATE CONTRACTS May, 2001 State & Consumer Services Agency • Department of General Services • Procurement Division

There are numerous statutory and policy requirements for State contracts. The following listing of those requirements contains information on how they may be met, and is organized by dollar level so that as acquisition values increase you can easily determine which requirements apply. Please do not rely on this document as an all-encompassing reference, it is only intended to provide information about the most common requirements. Contracts for information technology services should also follow the appropriate guidelines of the [State Contracting Manual \(SCM\)](#).

Copies of referenced Management Memos are available from the Department of General Services (DGS), Office of State Publishing (OSP) from the DGS Internet website at <http://www.osp.dgs.ca.gov/>. For questions regarding non-IT services or consulting services contracts, please contact the DGS Office of Legal Services (OLS) at (916) 376-5080, or visit the OLS Internet website at <http://www.ols.dgs.ca.gov/>.

If you have questions about small business issues, or need verification of eligibility for small business, search the OSDS Internet database at: [/sbop/](#). For questions on TACPA, LAMBRA or EZA preferences, contact the Protest and Dispute Resolution Unit at (916) 375-4587.

Questions or comments regarding this document may be made to the Procurement Division at (916) 375-4347, or email: Charles.Deyoe@dgs.ca.gov

1.	All	Anti-Trust GC 4550 et seq. B & P 16720-27 SCM 5.30	All	The antitrust laws are a system of California and federal laws that prohibit unwarranted restraints on free and open competition.	If an agency suspects antitrust activity (such as bid rigging or price fixing), contact the Attorney General's office at 916/324-7879, 415/356-6320, or 213/897-2691.
2.	All	Protests PCC 12102 CCR 1 870.1 et seq.	IT	Solicitations must provide for an initial protest process, whereby potential bidders may protest the requirements or specifications in a solicitation during the solicitation process. Solicitations must also provide for a 5-working day protest period. Requires award protests by a bidder to be filed with DGS within 5 working days after the issuance of a letter of intent to award. The final award cannot be made until the protest is either withdrawn or resolved by the California Victim Compensation and Government Claims Board (formerly the Board of Control).	Initial protests must be submitted by the agency to the Protest Resolution Coordinator. The Director of DGS or his/her designee decides initial protests. PD will assist with transmittals to the California Victim Compensation and Government Claims Board and defense of the protest as appropriate. Immediately send/fax copies of any protest received to the Protest Resolution Coordinator, Procurement Division, 1823 14th Street, Sacramento, CA 95814. Fax: 916/322-9653.
