After Authentication

Once you have received an email indicating you have been authenticated, you can now log into the system.

Note: It is a good idea to reset your password immediately after logging in – the password you received is system generated and may be hard to remember. Go to “Password” section of this reference guide for instructions.

Step	Action
1	To access SCPRS, go to https://www.scprs.dgs.ca.gov website
2	Click on Log In to SCPRS link located on the left side of the screen
3	Type in your email address. (i.e. linda.lange@dgs.ca.gov)
4	Type in the password you received via email
5	Click on Sign In
6	You will be brought to SCPRS main menu. Do not skip this screen – be sure to read the information as it updates you periodically on changes to the system. (If you create a bookmark, be sure to bookmark this screen.)
7	Now you are ready to begin working in SCPRS.

Password

Change Passwords

Once you have logged into the system, it is a good idea to change your password immediately. You may want to change your password periodically as well. After changing your password, make note of it. If you forgot your password, go to the “Forgot Password” section of this reference guide for instructions.

Step	Action
1	Once you have accessed SCPRS main screen, click on the Change Password link on the left side of the screen.
2	Enter the system-generated password (this is either the password you created and you want to change or the system generated password.)
3	Enter the new password (you can use letters or numbers and at least 8 characters long)
4	Re-enter the new password again
5	Click on Submit
6	You will receive a message indicating your password has been changed and an email with the new information has been sent to you.

Forgot Password

If you have forgotten your password, follow the steps below:

Step	Action
1	Once you have accessed the SCPRS main menu, click on Log In to SCPRS link on the left side of the screen
2	Click on Forgot Password link below the user and password fields.
3	Enter your email address
4	Click on Submit
5	An email will be sent to you with your user ID and last password you had.
6	You can return to the SCPRS log in screen and continue logging in.

Add Contract

General Information

Basic rules apply to all SCPRS screens.

- 1) All contracts over \$5000 are required to be entered into SCPRS
- 2) If an amendment has to be added, then all previous contracts and amendments have to be added as well.
- 3) An asterisk next to the field indicates the field is required.
- 4) By clicking on the field title, you can view details about that field. It is especially helpful when selecting Contract Types and Contract Methods.

How to Add a Contract

Once you have accessed the SCPRS main menu:

<https://www.scprs.dgs.ca.gov> click on the **Add Contract** link on the left side of the screen to begin registering contracts.

Screen Contents

Following describes what is needed for each field on the screen. Even though some fields do not have an asterisk, they may be required based on contract type/contracting methods selected. Once you have submitted the information you may be prompted to go back to certain fields and complete.

Step	Field	Action
1	Agency Name	DEFAULTS: The first field of the screen displays your agency's name and cannot be modified.
2	Date	DEFAULTS: The date defaults automatically and cannot be modified.
3	Sub Unit Name	REQUIRED: Select the sub-unit name by selecting from the drop down list. If your sub-unit name is NOT there, you will need to type it in. Once it has been entered, it will become available from the drop down. (This will become available in January.)
4	Contract Type	REQUIRED: Use the drop down window to select. <u>DO NOT USE</u> the DO NOT USE options. (For more details, click on the Field Title.)
5	Dept. Delegation Number	NOT Required, however, if selected contract type: IT Goods or Services, IT Consulting Services, or Non-IT goods (commodities), the delegations number is required.
