**Notice of
Completion and
Access to Premises
during
Construction**

7. Lessor shall notify the State in writing by certified mail of the date the leased premises will be completed and ready for occupancy at least thirty (30) days prior thereto. Such notice shall be a condition precedent to the accrual of rental hereunder, except however, that if the State occupies the premises prior to the receipt of such notice or prior to the expiration of the notice period of such notice, rental shall commence to accrue as of the date of occupancy.

Following execution of this lease, and not more than sixty days (60) prior to completion of construction and occupancy under this lease, State or its contractors or other representatives shall have the right to enter the premises for the purpose of installing certain equipment such as, but not limited to, modular system furniture, and electrical and telecommunications cabling and equipment.

State agrees to indemnify and hold Lessor harmless from and against any claims, damages, or other injury suffered by Lessor as a result of the work to be performed pursuant to this right to enter the premises prior to State's acceptance and occupancy of the premises. Lessor agrees to indemnify and hold State and its agents, contractors or other representatives harmless from and against any claims, damages, injury or other harm suffered by reason of the negligence or other wrongful act of Lessor or any of Lessor's agents, contractors, or other representatives.

In no event shall the exercise of this right of entry be construed so as to cause an acceleration of the occupancy date of this lease or the obligation of the State to pay rent.

Lessor and State shall each make all reasonable efforts to ensure that the respective construction and installation work is scheduled in such a manner so as to not interfere with or delay the other.

In the event that one or the other party causes a delay in the other party's work, such injured party shall be compensated in the following manner:

Delays caused by the Lessor:

Credit the State a compensating day of delay in the occupancy date and corresponding day of delay in payment of rent.

Delays caused by the State:

Credit the Lessor a compensating day of payment of rent from the actual date of occupancy.

Compensation will be in one day increments.

The parties agree that this shall be the sole remedy for delay, in that the calculation of damages in any other manner is too uncertain and not susceptible of accurate determination.

Early Occupancy

8. Lessor agrees that if the leased premises are ready for occupancy prior to the completion date specified above in Paragraph 6, State may elect to occupy the premises on the earliest date practical after its receipt of the herein required completion notice. The rent payable for any such early occupancy by the State shall be at the rate of \$ per month, and shall be prorated on a daily basis for any partial month.

**Time limit and
Prior Tenancy**

9. No rental shall accrue under this lease, nor shall the State have any obligation to perform the covenants or observe the conditions herein contained until the leased premises have been made ready for occupancy in accordance with the provisions hereof. It is specifically agreed that in the event the leased premises are not completed and ready for occupancy by the State on or before Click here to enter a date., then and in that event the State may, at its option and in addition to any other remedies it may have, terminate this lease and be relieved of any further obligations hereunder, providing that a fair and reasonable allowance for the following delays shall be added to said time for completion:

- A. Acts of the State, its agents or employees, or those claiming under agreement with or grant from the State; or by
- B. The acts of God which Lessor could not reasonably have foreseen or guarded against; or by

- C. Any strikes, boycotts or like obstructive actions by employees or labor organizations and which are beyond control of Lessor, and which cannot be reasonably overcome; or by
- D. Restrictive regulations by the Federal Government which are enforced in connection with a National Emergency.

In the event that the State elects to occupy premises before the work on the premises specified in Exhibit A, B, and C is fully completed, the State will provide the Lessor with a punch list of work remaining to be completed (referenced as the State's "Punch List"). Lessor agrees that Lessor shall complete the remaining work no later than 14 calendar days from the date of receipt of said Punch List. If said Punch List is not completed within the specified 14-day period, Lessor agrees that, beginning on the first day after said 14-day period following occupancy of premises by the State, rent may at the State's sole option be reduced to \$ which is seventy percent (70%) of the base rent specified in paragraph 4 herein (excluding any amortization payments) until such time that the Punch List work is completed in full and that such completion of work is inspected and accepted by the State. The portion of the rent specified for amortization of tenant improvements, if any shall continue to be paid in full without interruption.

It is understood and agreed that the rent reduction specified above does not relieve Lessor of its obligation to complete said work and the State shall maintain all other remedies specified in the Lease.

It is understood by all parties hereto that it shall be the Lessor's responsibility to remove any prior tenant.

Conformity to Exhibits

10. Occupancy of the leased premises by the State shall not relieve Lessor in any respect from full compliance at all times with aforesaid Exhibits "A" and "B" and "C". Such fixtures, additions, structures, or signs so placed in or upon or attached to the premises under this lease or any extension hereof shall be and remain the property of the State and may be removed therefrom by the State prior to the termination or expiration of this lease or any renewal or extension hereof, or within a reasonable time thereafter.

19. The Lessor reserves the right to enter and inspect the leased premises at reasonable times, and to render services and make any necessary repairs to the premises.

In the event such casualty shall render more than ten percent (10%) of such floor space unusable but not constitute total destruction, Lessor shall forthwith give notice to State of the specific number of days required to repair the same. If Lessor under such circumstances shall not give such notice within fifteen (15) calendar days after such destruction, or if such notice shall specify that such repairs will require more than ninety (90) days to complete from date such notice is given, State, in either such event, at its option may terminate this lease or, upon notice to Lessor, may maintain occupancy and elect to undertake the repairs itself, deducting the cost thereof from the rental due or to become due under this lease and any other lease between Lessor and State.

In the event of any such destruction other than total, where the State has not terminated the lease as herein provided, or pursuant to the terms hereof has not elected to make the repairs itself, Lessor shall diligently prosecute the repair of said premises and, in any event, if said repairs are not completed within the period of thirty (30) days for destruction aggregating ten percent (10%) or less of the floor space, or within the period specified in Lessor's notice in connection with partial destruction aggregating more than ten percent (10%), the State shall have the option to terminate this lease or complete the repairs itself, deducting the cost thereof from the rental due or to become due under this lease and any other lease between Lessor and State.

In the event the State remains in possession of said premises though partially damaged, the rental as herein provided shall be reduced by the same ratio as the net square feet the State is thus precluded from occupying bears to the total net square feet in the leased premises. In the event the State remains in possession of the premises after the expiration of the lease term, or any extension or renewal thereof, this lease shall be automatically extended on a month to month basis, subject to thirty (30) days termination by either party, and otherwise on the terms and conditions herein specified, so far as applicable. If the last rental amount shown in Paragraph 4 included the amortization of a capital sum expended by Lessor for certain alterations and improvements, as described in a separate paragraph herein, and the capital sum has been fully amortized, the holdover rent shall be reduced by the amount of the monthly amortization. If the State fails to vacate the premises within the notice period and remains for an extended period, additional rent shall be paid and prorated on a thirty (30) day month, based on the actual number of days the State occupies the premises following the effective date of termination.
