END OF ITEMS

Note 1. The current owner does NOT qualify for the \$20.00 discount pursuant to the coordinated stipulated judgments entered in actions filed by both the Attorney General and private class action plaintiffs for the herein described property.

Note 2. The land referred to in this preliminary report was identified in the order application only by street address or assessor's parcel number. This land has been located on the attached map. The use of a street address or assessor's parcel number creates an uncertainty as to the correct legal description for the land involved in your transaction. Please review the map. Is the correct land located on the map? If your transaction involves other land or more land or less land than that located on the map you should immediately advise your title officer or escrow officer.

Note 3. California "Good Funds" Law

Effective January 1, 1990, California Insurance Code Section 12413.1, (Chapter 598, Statutes of 1998), prohibits a title insurance company, controlled escrow company, or underwritten title company from disbursing funds from an escrow or sub-escrow account, (except for funds deposited by wire transfer, electronic payment for cash until the date these funds are made available to the depositor pursuant to part 229 of Title 12 of the Code of Federal Regulations, (REQ.CC).

Items such as cashiers, certified or teller's checks may be available for disbursements on the business day following the business day of deposit; however, other forms of deposits may cause extended delays in closing this escrow or sub-escrow.

"Chicago Title Company will not be responsible for accruals of interest or other charges resulting from compliance with the disbursement restrictions imposed by state law."

If you have any questions concerning the requirements for "Good Funds" referred to above, please contact Chicago Title Company prior to closing in order to avoid delays in the closing of this transaction.

These wiring instructions are for this specific transaction involving the Title Department of the Red Bluff office of Chicago Title Company. These instructions therefore should not be used in other transactions without first verifying the information with our accounting department. It is imperative that the wire text be exactly as indicated. Any extraneous information may cause unnecessary delays in confirming the receipt of funds.

Note 5. Section 12413.1, California Insurance Code became effective January 1, 1990. This legislation deals with the disbursement of funds deposited with any title entity acting in an escrow or subescrow capacity. The law requires that all funds be deposited and collected by the title entity's escrow and/or subescrow account prior to disbursement of any funds. Some methods of funding may subject funds to a holding period which must expire before any funds may be disbursed. In order to avoid any such delays, all funding should be done through wire transfer, certified check or checks drawn on California financial institutions.

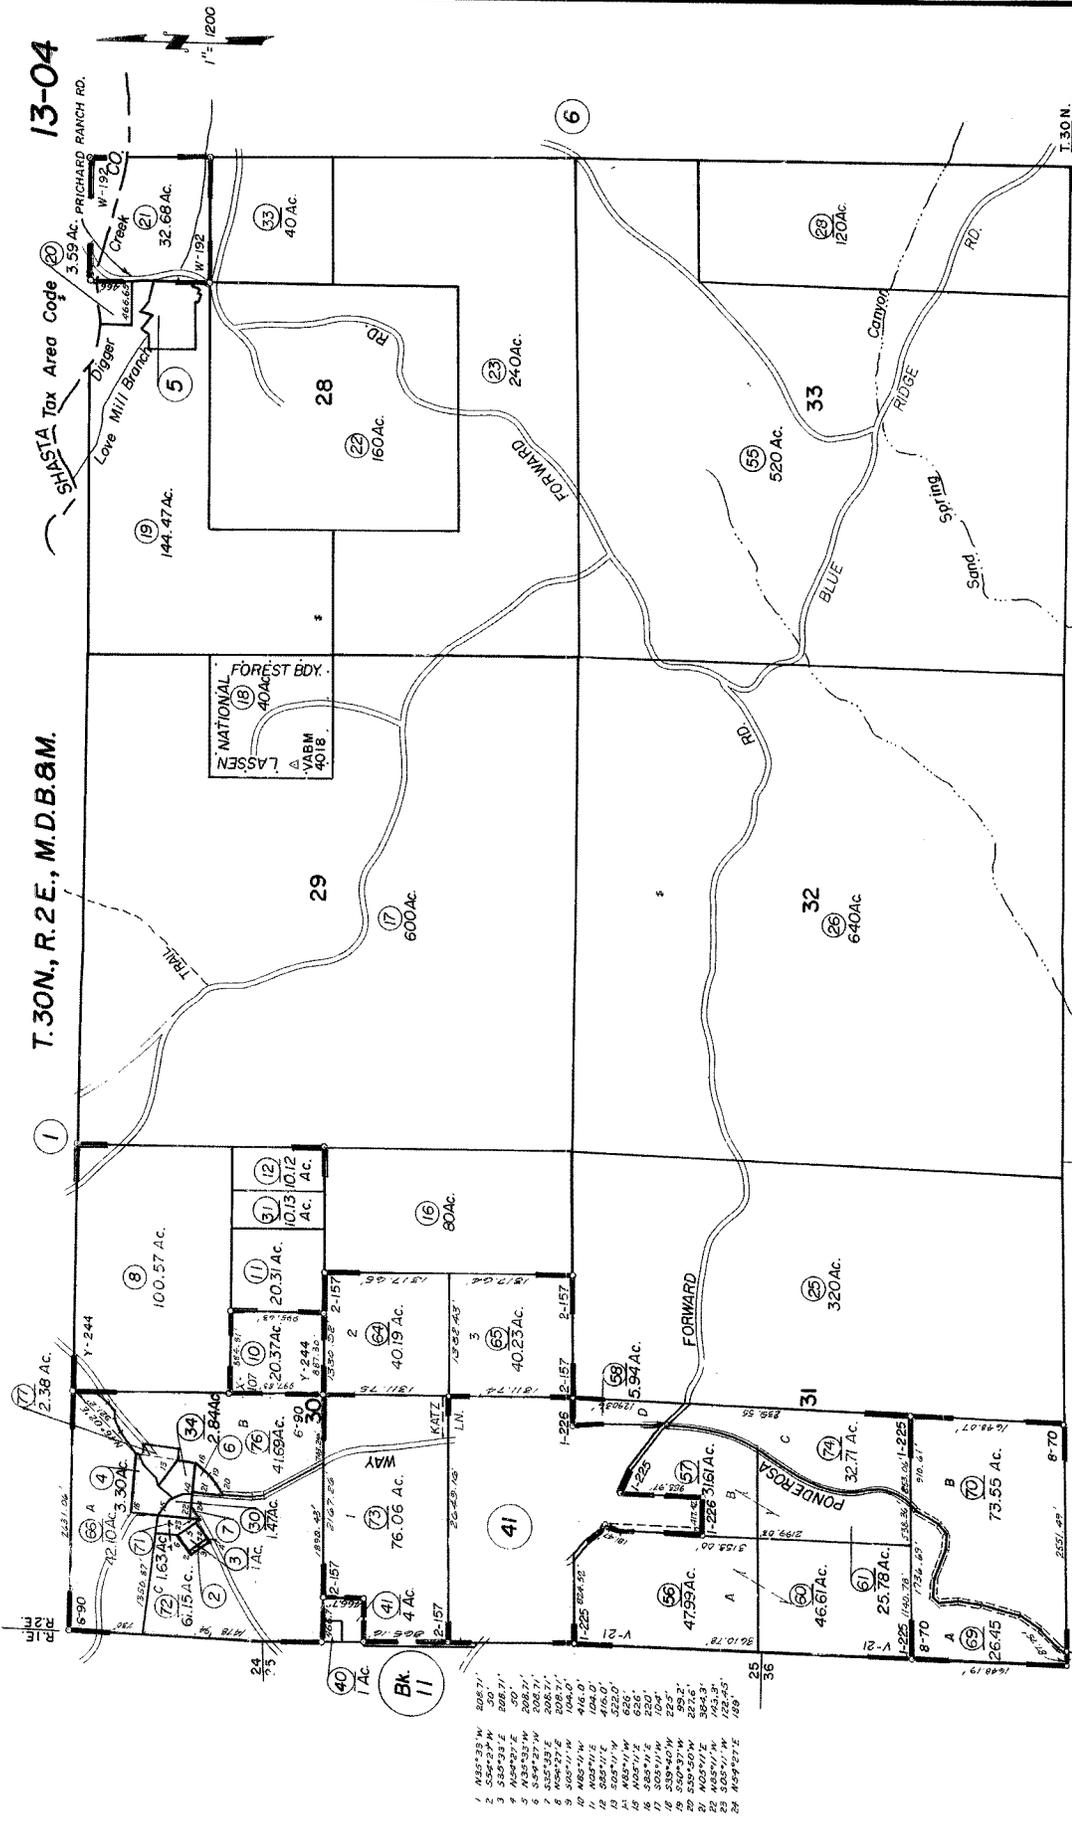

Note 6. The charge where an order is canceled after the issuance of the report of title, will be that amount which in the opinion of the Company is proper compensation for the services rendered or the purpose for which the report is used, but in no event shall said charge be less than the minimum amount required under Section 12404.1 of the Insurance Code of the State of California. If the report cannot be canceled "no fee" pursuant to the provisions of said Insurance Code, then the minimum cancellation fee shall be that permitted by law.

Note 7. California Revenue and Taxation Code Section 18662, effective January 1, 1994 and by amendment effective January 1, 2003, provides that the buyer in all sales of California Real Estate may be required to withhold 3 and 1/3% of the total sales price as California State Income Tax, subject to the various provisions of the law as therein contained.
