(Revised 06/05)

The mission of the Project Management Branch (PMB) within the RESD is to deliver capital projects and major leasing projects within the scope, budget, and schedule that meet the facilities requirements of our clients. This may be done either through the capital outlay process or alternative forms of financing. The PMB is also responsible for the management of the design and construction of major capital outlay and major leasing projects.

The RESD's CAMB is the initial point of entry for requesting new services. Clients wishing to engage the services of the PMB should contact their RESD CAM or they may call the CAMB at (916) 376-1800 or CALNET 480-1800. For more information about the CAMB, see SAM Section 1305.
