**PROGRAM SUMMARY, RESOURCES, AND CONTACTS**

**1328**

(New 06/05)

The Construction Services Branch (CSB) provides construction management and code and contract document compliance inspection services for construction projects undertaken by the State. The Branch also houses the Direct Construction Unit which designs, contracts and utilizes day labor per section 10122 of the Public Contract Code to directly accomplish the work of improvement. The RESD's CAMB is the initial point of entry for requesting new services. Clients wishing to engage the services of the CSB should contact their RESD CAM or they may call the CAMB at (916) 376-1800 or CALNET 480-1800. For more information about the CAMB, see SAM Section 1305.

Additional information on the CSB services and operations may be obtained from our home page located at <http://www.dgs.ca.gov/resd/csb/main.asp>. You may also contact the CSB at:
