

COST OF SERVICES

1330.1

(Revised 06/05)

Agencies pay rent for the space they use in buildings owned and operated by DGS. The rent covers regular building services, including all labor, materials and equipment. The DGS' Price Book lists the BPMB's hourly rates for services not covered in the rent. Your building manager may be contacted to answer any billing questions. Monthly invoices are generated directly to the requesting agency for:

1. Special building services that are not included in the rent, i.e., tenant services such as locksmithing, painting, carpentry, minor repairs, etc. Charges for special services are based on costs for time and materials. Your building manager can provide information on the services included in standard and special building services.
2. Services to special-funded buildings where costs are not recovered through rent. Charges to special fund agencies who own their building(s) are based on the actual costs of providing services.
