

**SAM—WASTE PREVENTION AND RECYCLING OF
NON-HAZARDOUS WASTE**

EXECUTIVE MANDATE
(New 5/94)

1921

1. The Governor's Executive Order W-7-91 requires that "all state agencies provide for:
 - a. Collection and recycling of aluminum, glass, plastic, and metal containers;
 - b. Collection and recycling of white office paper, colored paper, corrugated cardboard, newspaper, surplus reusable equipment and other materials generated in sufficient quantities for a viable recycling and reuse effort;"
