LASER TONER CARTRIDGES (LTCS)
(New 5/94)

1930.2

LTCs may be recycled through the Department of General Services (DGS) LTC contract for recycling and purchasing remanufactured LTCs. To facilitate recycling LTCs, postage pre-paid merchandise return labels for boxed empty LTCs may be obtained from Project Recycle.

To purchase high quality low-cost remanufactured LTCs, obtain a copy of the current contract available from the Board or DGS Office of Information Services.
