

## **SAM—WORKERS' COMPENSATION**

### **SUPPLEMENTAL INFORMATION TO SCIF**

**2581.6**

(Revised 12/99)

Supplemental Information Regarding Work Disability form, SCIF 3068, continues to fulfill many of its original purposes and, in addition, will assist your agency in some of the transactions arising out of Industrial Disability Leave. See SAM Section 2583.11 for a brief description of this benefit. See Sections 428–434 of the Personnel Transactions Manual for detailed information about Industrial Disability Leave as well as instructions for the use of Parts I and II of the SCIF 3068.

It is not required that you complete the SCIF 3068 to inform SCIF of changes that occur. If you prefer to use some other means of communication, including the telephone, do so. Supplies of the SCIF 3068 may be ordered from your nearest SCIF district office.
